The surest way to annoy a customer is to ask her to buy some other Soap, when she wants Sunlight Soap.

When a woman asks for Sunlight Soap, it shows that she is an intelligent woman, who wants value for her money.

When you ask such a woman to buy some other soap, it shows that you consider she doesn't know what she wants.

When you tell a sensible woman that some other soap is as good as Sunlight, she knows you are not telling the whole truth.

Naturally when she knows you are trying to fool her, she has a poor opinion of your judgment and veracity.

You cannot fool any woman regarding Sunlight Soap. Every woman knows Sunlight Soap to be purest and best.

This is why selling Sunlight Soap is the easiest thing any shopkeeper has to do. Every wise shopkeeper knows this,

Every now and then shopkeepers are asked to buy soap,—said to be as good as Sunlight Soap.

Eventually such soap has to be sold at a loss, and the loss is always made by the shopkeeper. The soap agent gets his money, the shopkeeper is the goat.

When next you are asked to buy such a soap, ask the agent,-"Will it sell as well as
