HIS BEST YEAR. Bell's best running year was in

in 58 minutes flat, and on August 18,

course, he lowered his previous re-

cord by 1 minute and 27 seconds. Lat-

St. George's Field, 'n the first A.A.A Championships which was held inder the National Sports Committee.

Bell's time was 28 minutes and 11 seconds, and he still holds that record on turf. In the same year a local

track team, including Bell, was sent

o Halifax, to take part in the Mari-

time Championships. Bell competed

year by winning from a field of 19

staxters, including Alfred Rogers, the

much tooted champion at that time.

Bell ran the finest race of his career

on that day, and although he was one

lap short, which was a big mistake

on the part of the Judges, his time

the track team also shared in the

road race. Bell, at that time, was the onnection with our local long showing. After three miles of the did most to keep this form of athlets forced to drop out, after being well Highland Games will take place on ics alive in Newfoundland is none up with the leaders. Shortly after Wednesday next, and with an extra other than the ex-champion Jack Bell, returning home he won his first 10 week's practice available for all runand being the first winner of the mile race, over a course of 60 laps in ners, the races are bound to be even Telegram Trophy, we give to our the Prince's Rink. This event was more closely contested. included in a sports programme run under the auspices of the Cadet Boat Club. It was in this race that Bell

JACK BELL (The Ex-Champion) Who Held The Local Championship For Eight Years.

Jack Bell, after completing his education at St. Patrick's Hall Schools. took up running at the age of 15 years, and with a number of his classmates, who were also eagerly bent on showing their wares, much running was resorted to on the roads around Long Pond, Smithville and vicinity. Walter Bell, a twin brother of Jack, whom we regret to state passed away several years ago in Montreal, and who also had a splendid running record, (second in the Boston Marathon ning contests staged in their boyhood days stood Jack in good stead.

HIS FIRST REAL RACE.

At 16 he was conditioned for snow barely left the ground, getting the road, and although young in years in condition to seek further success he was ambitious enough to compete across the water. In August be sailagainst runners many years his sen- ed for Ireland to represent Newfoundlor, and in a 15 mile race, from Man- land in the Taltean Games, but disapuel's to St. George's Field (his first pointment was his; the event baving real race) he kept up with the lead-ing runners until eleven miles of the until the following year. Although it track had been covered, when he was might be termed a wild goose chase,

Club, at the Octagen, he won his first champion covered the course in good long distance race over a course of style, being but two seconds behind six miles. The following year he duphis record. Ron O'Toole, who was six miles. The following year ne dup-licated his performance, but it was then making rapid strides in the run-derstood to have decreased not until the year 1912, did he become ning game, finished a good second. the six mile road race from the B.I.S. Hall to Mount Cashel, defeating several of the favourites, whom he classed hard in the 15 mile road race two years previous. Being then recognized as the champion six mile runner, he specialized on this distance alone, and by careful training he successfully defended his laurels in the chief Mount Cashel Garden Party event in the years 1913, 1914, and 1915. In 1914 he lost to J. Kavanagh who defeated him in a challenge race on "Telegram" Road Race, O'Toole doing on the special for the producing copper, and more than makes up for lower price for silver compared with last year, when should enable Anacond preciable improvement so cents an ounce was averaged as result of the Pittman Act, which held domestic silver at \$1 an ounce until the middle of June.
