

TO-NIGHT'S FOOTBALL.

Wesley and C.Y.M.C. teams, of the Junior League, will play for points at St. George's Field to-night. The game starts at 6.30 sharp.

ENJOYABLE FIELD DAY.

A large number of ex-pupils of Holy Cross Schools, assembled yesterday afternoon, at Mt. Cashel grounds, and held what proved to be a very enjoyable field day. The programme consisted of the usual outdoor sporting events and all were keenly contested. When the programme was concluded, it was found that the following team had the highest number of points, viz., R. Nolan, W. Spurrill, C. Byrne, L. Healey, T. Glasco, F. Kavanagh, A. O'Hurley, R. Byrne, J. Malone. For the individual events, the highest number of points was gained by J. Healey, with C. Byrne second and R. Byrne, third. At the close of the day tea was served at Mount Cashel, thus rounding off an afternoon of much pleasure. The present pupils of Holy Cross Schools will hold a similar outing at Mount Cashel on Wednesday next.

EXHIBITION FOOTBALL.

At 4 o'clock yesterday afternoon, a spirited game of football was played at St. George's Field between teams from the G.P.O. and Jas. Baird, Ltd. The final outcome resulted in a draw, 2 goals all. Both teams have some excellent players in their line-ups and, with more practice, they would be able to hold their own against the Senior teams.

LAST NIGHT'S FOOTBALL.

Game Ends In Draw.
Mount Cashel and Holy Cross teams played to a draw last night, two goals all. In what proved to be a hard-fought battle for the points. Play opened up fast with Holy Cross having the advantage, and in less than three minutes Neville bulged the twines for his team. About ten minutes later Murphy was responsible in scoring No. 2. Before the period ended Mount Cashel forwards made a good run west, and in the play which followed from in front of goal, Power beat Brian with a difficult shot. Upon ends being changed, the ball placed in motion, the Mt. Cashel boys made a furious attack on the opposing goal, and in the play Duffy scored the equalizer. Play then became general with narrow escapes on both goals, but nothing resulted. The game ended in a draw, 2 goals all. Should Mt. Cashel win in their next game with the B.I.S., they will win the silver medals.

SENIOR CHAMPIONS DEFEAT JUNIOR CHAMPIONS.

Only a small attendance of spectators turned up at St. George's Field yesterday afternoon to witness the football game between the Cadets, Champions of the Senior League, and T.A., Champions of the Junior League. The exhibition was only fair and ended in a victory for the Cadets by 3 goals to 1.
In the first half, with the Cadets playing from the western end, the ball was confined for the most part to T.A. territory, with the result that the Seniors found the net twice. The first came on a long shot from Canning, and the second was headed into the corner of the twines by Meany. Shortly after the opening of the second half, the hopes of the Junior supporters became better when Bailey availed of a good opening and scored No. 1.
The game from then on became fast and exciting, and the Senior backs were kept busy in staying off numerous attacks, in which they were successful in frustrating any further scoring. Nothing further happened in the scoring line until ten minutes before the close, when Meany scored No. 3 for his team. Mr. W. Thistle was referee. The C.C.C. Band was in attendance and enlivened the proceedings with stirring selections.

TO-NIGHT'S FIVE-MILE RUN.

Thrilling Race Anticipated.
The 5-Mile Race, for a splendid cup, donated by J. Gratton, Esq., begins at a gold medal of excellent design, offered by Hon. Dr. Mosdell, will be contested for on St. Bon's Campus at 6.30 this evening. At least one of our

speediest distance runners will come to-gather for the contest, and as the proceeds are in aid of Belvedere Orphanage, this big attraction will no doubt draw a record attendance of spectators to the grounds. Each competitor has his host of supporters who will turn out in large numbers to cheer their favorite to victory. Honors are pretty evenly divided between Linegar and Ron O'Toole, while a good many are of the opinion that Clifford Stone, the One Mile and Half Mile champion, will make the above runners hustle all the way. The race will be over a course of 33 laps plus 297 feet, the accurately measured five miles distance. Last year O'Toole set the record over the same course in the splendid time of 27 minutes and 7 seconds, and he is feeling in fine condition and ready to defend his laurels to-night. Linegar, is may be said, is also confident of victory. Yesterday he negotiated the hills at Torbay in splendid form and won with lots to spare. In view of the closeness of the race to-night, it is hoped that the appointed judges will watch closely the runners in action and avoid crowding, in order to ensure that each contestant is given a square deal. With the N.A.A. officials on hand, we feel assured that this will be the case, and the race will be conducted as successfully as possible.

The entries received up to 1 o'clock are as follows:—
1—Gower Stone.
2—Jake Ralph.
3—Clifford Stone.
4—W. Linegar.
5—Ron O'Toole.

CRICKET.

Yorkshire Again Champions For The Fourth Year In Succession.

For the fourth year in succession Yorkshire have won the county cricket championship, and a glance at the table will show how well deserved is their triumph.
They have played 31 games, of which 20 have been won outright; 3 have been drawn and 3 lost under the "first innings lead" rule, while in 5 games there has been no decision. Not once have they been beaten.
In only one match this season were Yorkshire in the slightest danger of defeat—against Sussex at Bradford—and then, when all seemed lost, superb bowling—one of the chief factors of their greatness—enabled them to snatch an altogether remarkable victory.

Yorkshire won the championship for the first time in 1893, and ever since they have been the dominant side in county cricket. This is their 14th success.

Hobbs heads the Surrey batting averages with figures of 61.29 for 2,084 runs, Sandham being a good second with 2,056 runs and an average of 57.11. Shepherd, with 1,261, was the only other batsman to score 1,000 runs. P. G. H. Fender took 124 wickets, but they cost 20.46 runs apiece. Peach, the next best bowler, obtained 71 wickets, at a cost of 21.76. In all 22 three-figure runnings were played for Surrey. Hendren and Hearne were the great run-getters for Middlesex. Hendren scored 1,922 runs, average 36.96. Hearne 1,898, average 38.83. In addition Hearne took 59 wickets for an average of 23.07, but Durston was the most successful bowler, his 87 wickets being obtained at a cost of 18.00 runs each. Thirteen centuries were his for Middlesex.

WITH THE BOXERS.

CHICAGO, Sept. 10.—Jack Kearns left yesterday for New York to take charge of Micker Walker's training camp for the welterweight champion's match with Dave Shade in New York, Sept. 21.

Kearns did not waste any time discussing his affairs with Jack Dempsey, declaring that the heavyweight champion faces lawsuits if he attempts to box before Sept. 1926 for anybody other than the promoter Kearns picks out to stage the show.

SAN FRANCISCO, Sept. 10.—Jack Dempsey's two Labor Day boxing exhibition bouts failed to act as a barometer of the heavyweight champion's condition, sporting writers who saw the events agree.
Dempsey had palpably easy opponents in "Fat" Larue and "Cowboy" Warner, the writers said. The champion appeared in fine physical shape, but his ability was not tested in the least.

NEW YORK, Sept. 10.—Louis Kid Kaplan, featherweight champion is entertaining a convention of malaria germs, and will not be able to fight again until the indoor season in the new Madison Square Garden is well started.

Although malaria is accompanied by cold feet, Scotty Montell, manager of Kaplan, insists that this is an effect rather than the cause.

Kaplan recently took what is technically known as a pasting from Babe Herman, but got a draw decision in his home country.

If Kaplan wants to box again in New York he will probably find the Boxing Commission insisting that he give Herman a return match.

MINNEAPOLIS, Minn., Sept. 10.—Gene Tunney, United States light-heavyweight champion, has been signed to meet Bartley Madden, of New York, in a ten-round fight probably in Minneapolis, Sept. 25. It is said that Capt. W. X. Fawcett, the promoter, is paying a purse of \$20,000 for the match, \$12,000 of which will go to Tunney.

NEW YORK, Sept. 10.—King Solomon, Panama heavyweight, yesterday was ordered by the New York Boxing Commission to fight Jack Renault, of Canada, at the Queensboro Stadium before he engages in any other match in this State.

Action by the board resulted from a complaint by Queensboro promoters that Solomon had twice failed to fulfill engagements with Renault, pleading illness a month ago and later claiming an injured hand. A loss of \$3,000 had been suffered by the two withdrawals.

MacAulay Not Starting.
Victor MacAulay, four times winner of the big race, will not likely be a starter. He is now located in the United States, and recently wrote friends in Windsor that he would not be here for the race. MacAulay's withdrawal will help the younger runners who were unable to cope with the speed of the Windsor man in previous Herald races.

Newfoundlander Popular.
Newfoundland athletes are popular in Halifax, and their entrance in the 1925 championship race will add to the great interest in the annual event. Bell was second the last year he competed. While O'Toole finished third in the 1924 race, being a short distance behind Silas McLellan, Noel Marathoner, who was eleventh in the Boston Marathon. The name of the third runner from Newfoundland is as yet unknown, but he will probably be a young star.

Race in Afternoon.
Although the starting hour has not been definitely settled the runners will probably be sent off on their long trip at 2 o'clock in the afternoon. Rules that governed the race last year will be in vogue again. John C. Miles, Cape Breton runner whose victories at Halifax and Amherst recently ranked him high in Maritime long distance running, will likely be a competitor. Entries will close October 12.

Can Scott Overcome The Hefty Spaniard?
(By JIMMY WILDE, ex-Flyweight Champion of the World.)

It was hoped that Tommy Milligan's first contest of the coming season at the National Sporting Club would have been with Roland Todd for the Lonsdale middle-weight belt, but the Hamilton boxer has listened-in to the voice of "America calling," and he has left his native town en route for New York.

He has placed his affairs under the care of Billy Ames, but although a match was suggested between Milligan and Harry Greb for the world's title, this, I am afraid, will fail to materialize owing to the American having suffered severe injuries in a motor accident, which, I learn, will put him out of action for several months. However, we shall await with intense interest Milligan's debut in American circles. Todd, I am told, has been training assiduously for a big winter campaign. The champion has an important return engagement with the coloured boxer, Len Johnson, at Manchester, on Sept. 25, but Todd has a pretty stiff hurdle to negotiate on Monday night at The Ring, where he encounters the wear and tear Australian, Charles Ring. The event will be the means of providing Todd with a good test match. The Doncaster boxer has not been over successful since he beat Augie Ratner and Kid Lewis at Holland Park Hall. He did fairly well in America, but in his last bout in the States, suffered a knock-out reverse at the hands of Jock Malone. Still, I fancy that Todd must have allowed himself to get somewhat stale. Since he returned home he has been defeated by Bruno Fratini, for the European title, and Len Johnson, at Manchester. However, I must confess that Todd disputes both these decisions. He did not have the opportunity of a return with the Italian, but is anxious to prove that he can beat Johnson, who has agreed to a second battle. In Ring he will discover an aggressive two-handed fighter, who refuses to stand on ceremony. Todd is essentially a clever defensive boxer, but he will require all his skill in this department to keep out the young man from the Commonwealth. I am wondering what will happen to Phil Scott when he opposes the heavily-built Spaniard, Paolino, at San Sebastian, on Sunday. Frankly, I think Master Phil will have to exhibit more enterprise than he did when he tackled Gipsy Daniels. I appreciate the fact that Scott is very plucky and endowed by Nature with a splendid physique. I only wish that I had been born on similar lines. I know that Scott easily outpointed

George Cook, and that the Australian twice defeated Paolino in masterly fashion. Still, I am informed on reliable authority that the big Basque has improved since he became associated with Francois Descamps. If this information is correct or not remains to be seen. The Spaniard is a hefty fellow. He is one of those energetic men who lack imagination, and can absorb a lot of heavy punishment. Descamps, who is now managing Paolino, is the promoter of the match, and his pet protégé, Georges Carpentier, has been selected as referee. I have no doubt that the advent of Georges will prove an added attraction, but I do not believe he will be influenced one way or the other when called upon to render the decision. He has no doubt, an invaluable asset, but fighters from fly-to-heavyweight must also have a certain amount of skill. It is announced that Harry Mason is entering the welterweight division, and, at 10st. 7lbs., will be meeting Johnny Brown, of Hamilton, at the Albert Hall on October 8. This means that Earnie Izard will not have his anticipated opportunity for meeting Mason in a return contest for the lightweight title. However, there are others claiming recognition, so he will not have to remain idle. Alf Simmons is on the waiting list.

Horace was sent to his room for taking forbidden cake from the cupboard. His mother, thinking to make his punishment more impressive, went to his room and, after all was forgiven, said: "Now, Horace, what did I punish you for?"

"Well, ma, I like that! I've been kept in bed all the afternoon, and now you don't know what you did it for."

CHAMPION TEN MILE ROAD RACE WILL BE HELD AT HALIFAX ON OCTOBER 17; 3 NEWFOUNDLANDERS TO START.

HALIFAX, N.S.—The Halifax Herald and The Evening Mail modified marathon of 10 miles, for the Maritime Province championship, will be held October 17 this year. President Miles of the M.P.A.A.C. has informed the management of the race that the event will, as usual, be sanctioned as the ten mile championship of the Maritimes. Word has been received from St. John's, Newfoundland, and that the old colony will be represented by three runners, including Jack Bell and Ronald O'Toole.

This means that Earnie Izard will not have his anticipated opportunity for meeting Mason in a return contest for the lightweight title. However, there are others claiming recognition, so he will not have to remain idle. Alf Simmons is on the waiting list.

Horace was sent to his room for taking forbidden cake from the cupboard. His mother, thinking to make his punishment more impressive, went to his room and, after all was forgiven, said: "Now, Horace, what did I punish you for?"

"Well, ma, I like that! I've been kept in bed all the afternoon, and now you don't know what you did it for."

"One of the many fine features about Crisco" says Miss Olive Allen "is that it does not smoke in deep frying, nor does it smell like ordinary fats. When cooking with Crisco, the deliciously digestible fat, the news of what's going on in the kitchen need not be known in any other part of the house. In several other respects, Crisco is superior. Your grocer will recommend Crisco—more than likely his wife uses it at home. At all Grocers. Sole Agent: Gerald S. Doyle. sept17,th.s.t.

CHAMPION TEN MILE ROAD RACE WILL BE HELD AT HALIFAX ON OCTOBER 17; 3 NEWFOUNDLANDERS TO START.

HALIFAX, N.S.—The Halifax Herald and The Evening Mail modified marathon of 10 miles, for the Maritime Province championship, will be held October 17 this year. President Miles of the M.P.A.A.C. has informed the management of the race that the event will, as usual, be sanctioned as the ten mile championship of the Maritimes. Word has been received from St. John's, Newfoundland, and that the old colony will be represented by three runners, including Jack Bell and Ronald O'Toole.

MacAulay Not Starting.
Victor MacAulay, four times winner of the big race, will not likely be a starter. He is now located in the United States, and recently wrote friends in Windsor that he would not be here for the race. MacAulay's withdrawal will help the younger runners who were unable to cope with the speed of the Windsor man in previous Herald races.

Newfoundlander Popular.
Newfoundland athletes are popular in Halifax, and their entrance in the 1925 championship race will add to the great interest in the annual event. Bell was second the last year he competed. While O'Toole finished third in the 1924 race, being a short distance behind Silas McLellan, Noel Marathoner, who was eleventh in the Boston Marathon. The name of the third runner from Newfoundland is as yet unknown, but he will probably be a young star.

Race in Afternoon.
Although the starting hour has not been definitely settled the runners will probably be sent off on their long trip at 2 o'clock in the afternoon. Rules that governed the race last year will be in vogue again. John C. Miles, Cape Breton runner whose victories at Halifax and Amherst recently ranked him high in Maritime long distance running, will likely be a competitor. Entries will close October 12.

Can Scott Overcome The Hefty Spaniard?
(By JIMMY WILDE, ex-Flyweight Champion of the World.)

It was hoped that Tommy Milligan's first contest of the coming season at the National Sporting Club would have been with Roland Todd for the Lonsdale middle-weight belt, but the Hamilton boxer has listened-in to the voice of "America calling," and he has left his native town en route for New York.

He has placed his affairs under the care of Billy Ames, but although a match was suggested between Milligan and Harry Greb for the world's title, this, I am afraid, will fail to materialize owing to the American having suffered severe injuries in a motor accident, which, I learn, will put him out of action for several months. However, we shall await with intense interest Milligan's debut in American circles. Todd, I am told, has been training assiduously for
