

# A MIRACLE IN MANITOBA

CAPTAIN BANISTER  
STRICKEN WHILE IN CAMP

HAD TO BE CARRIED TO TRAIN  
HELPLESS IN BED FOR SIX WEEKS

"FRUIT-A-TIVES" COMPLETELY  
CURED HIM AFTER DOCTORS FAILED

Captain Banister's letter reads like a page from the History of Miracles. It is one of the strongest endorsements ever given to any medicine in the world.

Captain Nelson Banister of Oak Lake is known from one end of Manitoba to the other—in fact, throughout Western Canada. Naturally, the letter of such a prominent citizen and officer is bound to carry convincing weight with all thinking people.

Oak Lake, Man., June 15th, 1909.  
"Fully appreciating the great benefits that I have derived from using your wonderful remedy, I feel it is my duty to write you a little history of my case and ask you to publish it, for the good of others that may be today suffering from the complaint that I am happy to say, 'Fruit-a-tives' completely cured me of."

"About two years ago while in Camp at Brandon with 'A' Squadron, 12th Manitoba Dragoons, I was stricken with Sciatica and Neuralgia of the muscles of the heart. I was so bad that I had to be carried to the train and sent home, and after being again carried from the train to my bed on arrival at Oak Lake, I was forced to stay there six weeks. Doctoring and nursing in time enabled me to get on my feet, but I could do no work, and was almost as helpless as when confined to bed. A sample of 'Fruit-a-tives' came to our house about that time and I tried them. Believe me—that from the first does I experienced great relief and continued taking them until I was as well and strong as ever. This satisfactory change and restoration to health, I attribute wholly to 'Fruit-a-tives' and I never miss a chance to recommend them to my friends and neighbors."

"Previous to taking 'Fruit-a-tives,' my heart was examined by doctors and found to be so weak that it was considered unsafe for me to take chloroform, or any anesthetic, but since taking 'Fruit-a-tives' the heart has become so strong that I was able to have a minor operation on one of my hands and took chloroform without any ill effects. Today the whole family uses 'Fruit-a-tives,' we purchase them from Mr. Graham, our local druggist, keep them in the house all the time, and just simply could not get along without them. They are the best medicine in the world."

NELSON BANISTER, (Capt. "A" Squadron, 12th Manitoba Dragoons).

Truly, the days of the miracle have not passed away. These small fruit tablets can do what physicians with all their skill, cannot do, it does seem almost miraculous. Yet nothing is more logical and scientific than the medicinal action of 'Fruit-a-tives.' Sciatica, Rheumatism and Neuralgia in any form are caused by poisoned blood.

It is the duty of the Bowels, Kidneys and Skin to rid the system of waste matter, or urea. If any of these organs are weak, the waste matter stays in the system and is converted into uric acid.

It is uric acid which poisons the blood and inflames the delicate nerves, membranes and muscles, causing what is known as Rheumatism, Sciatica or Neuralgia.

'Fruit-a-tives' promptly cures these troubles because 'Fruit-a-tives' cures the Bowels, Kidneys and Skin. 'Fruit-a-tives' makes these three great eliminating organs well and strong. And when the waste of the body is regularly disposed of, there can be no excess of uric acid.

'Fruit-a-tives,' as Captain Banister says, "is the best medicine in the world." It is made of fruit juices and valuable nerve and heart tonic, and is pleasant to take. 50c a box—\$1.00 a trial box. 25c. At dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

CONGRESS held recently in the city of Chicago. In addition a discussion will take place in reference to a convention to be held in Calgary for the province in the fall of the year and also the present situation in Calgary will be considered. All men interested in this movement are cordially invited to attend.

Feature Play Monday Evening.  
It is customary for a travelling organization like the famous Partello Circus, which has been touring the province for several years, to spend the night of the feature play, Monday evening, at the theatre. What promises to be an exceptionally good meeting in connection with the above meeting will be held in the school room of Knox church on Monday evening, when a report will be given of the wonderful Men's National

Canadian Made  
No doubt you will agree that if quality and price are equal every Canadian should buy Canadian made goods in preference to any others.

Not only is it patriotic—it's sound common sense. The money spent for Canadian goods goes to build up Canadian industries and prosperity, and makes it easier for every Canadian to earn a good living.

On the other hand, money spent for foreign made goods goes out of the country to pay foreigners—not to benefit Canadians.

NA-DRU-CO  
Toilet and Medicinal Preparations are compounded in Canada from the purest ingredients which money can buy. The National Drug and Chemical Company of Canada returns to Canadians in employees' salaries, dividends and other expense disbursements, close to One Million Dollars a year. In addition to this we spend millions every year in Canada for raw materials, tin, bottles, labels, boxes and other supplies, giving employment to hundreds of Canadian tinmiths, glass workers, paper makers, printers, lithographers, box makers, and others.

So even if NA-DRU-CO goods were only "just as good" as those imported from other countries, you would be following a sensible and patriotic course in buying them.

As a matter of fact, though, NA-DRU-CO Toilet and Medicinal Preparations are better than those imported. Try NA-DRU-CO Toilet Powder, NA-DRU-CO Compound Toilet Cream, NA-DRU-CO Testless Cold Liver Oil Compound or any other NA-DRU-CO preparation, and see for yourself.

You risk nothing in making the test, for if the NA-DRU-CO article does not entirely satisfy you, return it and your druggist will refund your money.

TWO GOOD GAMES IN THE JUNIOR BALL LEAGUE  
Two games were played last night in the Junior Ball League. The Swastika and Athletics won out.

The baseball was some class too. The Athletics-Beaver game, and three home runs were scored. Pitt connected for one in the first and McNabb and Henry pushed them over in the second. When the home runs were made there were no men on base, else the Athletics would have had a larger score. The teams and score by innings were as follows:

Athletics ..... 121 111-7  
Beavers ..... 001 211-5  
Athletics—Cooper, as; Henry; McNabb; Sales; McLean; McKenzie; Woodhouse; Bryant; Pitt.

Beavers—Harper; Black; Taylor; et; Mills; 25; Richards; 10; English; Hudson; as; McFarlane; 10; Lum.

Umpire—Roy Mosher.  
The other game between the Swastika and the Y. M. C. was a very one-sided one, as the big score run up by the Swastika would show. The Athletics had things pretty much their own way, and they were hitting and fielding the ball all the time, and the fielding of the Y.M.C. was not just as good as it might have been. They started off with seven runs in the first innings and kept piling them on until the time. The batteries were as follows:

Swastika: Riley and Dowd; Y. M. C.: Tarrant and Donnelly.

The standing in the Junior City Baseball league is as follows:

Swastika ..... Won. Lost. P.C.  
Athletics ..... 3 1 750  
Beavers ..... 3 2 584  
Y. M. C. ..... 0 4 400

The Gun  
The scores last night at the Calgary Gun club were low on account of low high wind and bad back ground. Huddell won A Class with 46 and Garden B. Class with 42. The scores were as follows:

R. G. Robinson ..... 24 30-44  
W. B. H. Martin ..... 20 30-40  
Joe Gordon ..... 19 42-39
