FINANCE COMMITTEE

Letter From Manager Carr—Wants Central Avenue Cars Run as Formerly—\$300 for Bicycle Paths

At a meeting of the finance committee last night, Manager Carr wrote stating that the car service on the Hamilton road had been considered. He believed a one-way service would be regular and call for no waits. This would give better satisfaction. If the tracks were doubled a two-way service might be given. Provided that allowance was made the company on the increase of population clause, the double-tracking would be put down. No action was taken by the committee on the Hamilton road service, but they will ask that the Central Avenue cars be reversed from the present way of running.

Of the surplus \$1,000 that remained when the present rate was struck for the year there is still \$300. The city engineer's salary was increased \$400, and \$800 had been granted for band concerts.

On motion of Ald. McCallum, the balance will be expended on bicycle tracks.

The Teachers' Association was given the usual grant of \$25.

On request of J. H. Chapman, the York Street Mission was granted a refund of charges for use of the city hall.

A petition for remission of license fee by Mr. R. Pococke, re Godfrey's band concert, was referred to the council. A number of petitions re taxes were filed.

CAMP DESERTED

Infantry Go Home and the Hussars to Delaware—A Route March.

The tented city at Camp Carling is practically deserted, and only a straggling volunteer is to be seen here and there throughout the grounds. The main guard was dismantled at reveille this morning, and shortly after the preparations for leaving camp were completed.

Yesterday afternoon there was a route march through the city. The soldier knows not from day to day what the orders are likely to contain. All expected a street parade, but few knew when it would take place, until after the publication of orders, Thursday evening. The parade was a surprise to the public. A parade is one of the best means of arousing military enthusiasm, and had the public been in formed of the route march many more would have turned out to give the volunteers a hearty reception. The commanding officer had conferred a great favor on the public if he would forewarn them in future. The marching of the men was good, but in this particular the Twenty-seventh St. Clair Borders excelled. The troops were in the following order: First Hussars, Twenty-ninth Battalion, an band, Twenty-sixth Battalion, Twenty-seventh Battalion and band, the Twenty-eighth Battalion and band. The route taken was Adelaide street to Queen's avenue, to Richmond, to Dundas, to Talbot, to King, to Adelaide, and north to the camp grounds. The men presented a fairly good appearance and received applause at different points along the line of march. The cavalry made a splendid impression. Last night was one of the most successful, cooks' parades and the usual jollification.

The sergeants' mess of the Twenty-sixth has elected Sergt. Fieher, of No. 4 company, as president; Sergt. W. N. Tobias, of No. 3 company, Moravian town, as vice-president; and Sergt. Greene, of No. 4 company, London, as secretary-treasurer.

NOTES.
Mrs. (Col.) Smith and Mrs. (Col.) Buchanan gave an "At Home" to the officers and their friends last night. A great number of guests were present, and on completion of target practice, are given as under:

Twenty-seventh Battalion, Corp. A. Mavry, No. 5 company, 71 points.
Twenty-eighth Battalion, Col-Sergt. Schaefer, No. 6 company, 67 points.
Twenty-ninth Battalion, Sergt. Wallace Smith, 62 points.
Twenty-sixth Battalion, Pte. Enoch Snake, No. 3 company, 57 points.
Twenty-ninth Battalion, Pte. Westfall, No. 6 company, 54 points.

The Hussars left for Delaware today, where they will be encamped in front of the school until Monday.

LAMBETH'S OUTING

A Day of Much Pleasure at Port Stanley.

Success of the I. O. F. and A. O. U. W. Picnic—Games and Prize-Winners.

Lambeth, June 18.—Thursday was a gala day at Port Stanley. The combined I. O. F. and A. O. U. W. picnic was a grand success. There were about 400 people on the grounds, who spent the day in boat riding, racing, etc., and the evening in waiting for the train, which was one and a half hours late, on account of the engine breaking down.

The Oak Hall manager offered two valuable prizes for which, with the rest of the prizes, there were hot contests. Following is the result:

Boys' race, under 10 years—Frank Arnold 1, Roy Jones 2, Herbert Poole 3, Almer George 4.

Boys' race, under 15 years—Roy Banatyne 1, George A. Sadler 2, Alvin George 3.

Young men's race—H. Blinn 1, L. Vandellinder 2, James Learn 3.

Hoop race—J. B. George 1, L. M. Vandermade 2, Wm. Branton 3.

Smoking race—L. M. Vandermade 1, H. Blinn 2, St. Tye 3.

Novelty race—A. K. Sadler 1, C. Millson 2, J. B. George 3.

Boat and shoe race—H. Blinn 1, J. Learn 2, L. Vandellinder 3.

Three-legged race—P. Ryckman and S. Ireland 1, J. Warren and R. Mickleborough 2, A. Sadler and H. Blinn 3.

Egg race—Christie 1, G. Sadler 2, R. Banatyne 3.

The prizes for the above races were: 1st, 50 cents; 2nd, 30 cents; 3rd, 20 cents; but the coveted Oak Hall prizes were: First, for young men, a pair of pants, or goods to the value of \$2.50, won by H. Blinn; next, for married men, a pair of pants, or goods to the value of \$2.50, won by J. B. George.

After the races were finished three hearty cheers were given for the Oak Hall and its manager, Mr. Alf. Taylor. At 8 p.m. the pleasure steamer Flora

took about 200 passengers for a two hours' ride on the lake. All present returned home without accident, after spending a most enjoyable day. One enthusiast wished it would come twice a year. The committee in charge may congratulate themselves on the success of the outing.

About 60 of Mr. George W. Patrick's neighbors turned out yesterday afternoon and raised the frame of a fine barn; size, 60 by 40 by 20 feet; set on a cement foundation and framework 8 feet high, which will make a splendid stable. Mr. Joseph Poole and Mr. John Kelly chose sides. The former's (the west side) won by about six rafters. Everything went together well under the carpentering of Mr. Wm. Scott & Son.

Mrs. Fred Thornicroft has returned after spending a few weeks visiting her sister in Michigan.

Don't forget the W. M. S. garden party at Mr. D. Low's next Tuesday evening.

All the villages of Davies county, Kentucky, are said to be connected with each other and the county seat by telephone.
