EASY FOR LONDON. It was London's game yesterday from start to finish. The fact that Guelph's eam has been materially strengthened since the last game here proved a drawing card, and one of the largest crowds seen at the Tecumseh Park this season witnessed the game, about 1,000 in view of the fact that the grocers' pienic was in progress. Busse, Flynn, and Murphy, the new players from Michigan, put up good ball—the kind hat London appreciates. The visitors, wever, were outplayed at every turn. heir stick work was poor, but Willie ershaw was to blame for that, and teid gave them no chances to steal. The home team's batting was good. ow, all over the lot, and in the eighth inning there was a display of fireworks that rattled the visitors, and netted

London four runs.
London took the field first, and the sitors went to bat. In the first inning nelph was blanked. They scored first in the second. Roberts and Congalton hit to Hickey, who gathered them in, we hit safe to center, and McElroy llowed with a hot grounder to Sipp hold the ball. Congalton crossed the ubber, after which Slugger Murphy hit a high one to center, which Hickey ered in. Busse scored in the fifth. cElrov scored the third one in the On an error of Ward he reached first base, and went to second on Reid's passed ball, scoring on Busse's ng hit to center, which Hickey alowed to drop on account of the sun. Murphy flew to O'Brien, and Dark hit to Sippi, and died at first, where Crowe e first victim of the last inning. London put up an excellent game all he way through. The work of the infield was a great feature-Ward, Keenan, Sippi and Gunther bobbing up serenely every time occasion, required. won and lost for the second time, and 1:211/4. Flossetta, Wrangling Duches In the eighth Crowe was hammered unmercifully hard. Keenan hit under the signboard for two bags; Sechrist made of Gordon vs. Victoria, in which the jury awarded Mrs. Gordon \$15,000 for the loss of her husband, reversing the victoria a sacrifice, Ward hit a pop fly to second base, and Reed, Kershaw and Hickey placed the leather out of the reach of 39 miles to see their loss prize.
