## ONE INSERTION BROUGHT A BUYER FOR AN INCUBATOR

"Kindly take my advertisement after it sold my incubator a short time after the ad appeared in your paper for the first time. Your paper certainly does what you claim for it." The foregoing is what a voice said through the telephone Monday morning after his advertisement had appeared in Saturday night's paper.

Something to brag about, don't you think? But we receive so many similar statements from pleased advertisers that we are beginning to think that every one of our readers reads the Want Ad Page. And it is an excellent thing for them. Not only are some of the spiciest bits of news contained in the For Sale or Barter and Exchange columns, but there are many chances for bargains contained in the small advertisements.

Why don't you try one? The cost is little, but the results large.

Phone 3670 or drop a card to the Want Ad Department.
