LONDON PITCHERS EASY FOR BEAVERS

Both Hammond and Steiger Hit Hard on Saturday.

TORONTO WINS BY 10 TO 6

Mike Mullin Makes His First Error in Twenty Games and it Costs London a Run.

[Special to The Advertiser.]
TORONTO, June 21.—The Beavers made it straight from the league leaders when they beat London again today 10 to 6 in a game marked by heavy hitting. Bobby Auld was on the mound for the locals, and while he was touched up at frequent intervals the Cockneys did not feast off his offerings half as much as the Lee aggregation did off Hammond and Steiger. The former started the game for the visitors, but was hammered out of the box in the sixth and Steiger took up the burden and threw on. He was also hit pretty hard.

Mullin's Record Broken.
Both teams made a number of errors, many of which were due to the grounds at the Motordrome, the infield having just been freshly sodded, while the outfield was heavy, owing to the recent rains. Mike Mullin, the London third sacker, who had played 19 games previous to today's without a boot, shattered his record when he let Harkin's grounder get through him in the fifth inning.

London scored in the first inning when Linneborn walked, Whitcraft sacrificed, and Lamy singled to centre. In the third the Londoners added another when Burrill dropped Snyder's long drive, and Linneborn was safe on Killilea's error. Whitcraft dropped a fly over the infield and Snyder scored.

Danford's Timely Double.
In the seventh, London scored again, when Snyder beat out a hit to short and scored on a double by Danford, who was hitting for Hammond. In the eighth two more runs were counted, when Mullin doubled with Reidy and Long on the sacks.

The Beavers got their first run in the second, when Danford singled, Schultz singled, in the third they tied the score, when singles by Trout and Isaacs scored. In the fourth, Danford sacrificed, Whitcraft's boot and a sacrifice fly by Or scored another. Another one came in the fifth, when Mullin let Harkin's grounder go through him, with Killilea on third and two out.

Toronto Scores Four.
The game was won in the sixth, when Burrill walked, Or doubled, Killilea and Trout singled and Snyder made a wild throw on Isaacs' hit, four runs counting. The last two runs came in the seventh when a single, another error by Whitcraft, a sacrifice infield out and a single all came in succession.

Lamy's one-hand catch of Schultz's drive in the third was the feature of the game. A crowd of about 1,500 witnessed the contest. President Stevely and Director Buzzell, of the London club, were among the spectators.

McCLARY'S PRACTICE TONIGHT.
The McClarys' practice team will practice in Chelsea Green this evening. All the players are asked to turn out.

TOM L. HAGGARTH says:

"I wonder if my fellow-citizens would elect me to Parliament if I guaranteed to work hard and save \$8,000,000 in expenses."

"The chief idea of our politicians seems to be a study as to how they can cash away and spend the money."

"An economist is a rara avis. It's so easy to find some new form of taxation—such as motor cars or corporations—who will stand for a little more when the legislators need the money."

"I know many men who have never studied the economy of Semi-ready Tailoring."
