

Belyea's Display Is Finest Seen At Henley This Year

All Foreigners Ousted, So the BUSINESSMEN UPSET KIDS Diamond Sculls Will Be All-British Event.

Associated Press Despatch.
Henley-on-Thames, July 5.—Finishing with a magnificent burst of speed that thrilled the spectator, Hilton Belyea, St. John, N. B., Canadian sculling champion, today eliminated Dr. Rudolph Bossard of the Grasshopper Club, Zurich, Switzerland, in the competition for the Diamond Sculls, at the Henley

Zurich, Switzerland, in the competition for the Diamond Sculls, at the Henley regatta.

Belyea, the experts agree, gave the finest display of carsmanship seen at Henley this year. Many experts before the race had predicted that the Canadian's 33 years would be a handicap and would cause him to crack under the strain of the Henley mile and a quarter sprinting course. Bossard was leading Belyea by nearly three lengths towards the finish of the race, when Belyea displayed a burst of speed and quickly overtook his opponent and passed into a two-length lead at the finish.

Tomorrow Belyea races D. H. L. Gollan, deaf and dumb British sculler, who has already met and defeated Walter Hoover of Duluth, former holder of the Diamond Sculls trophy, and Russell Codman, Jr., Boston.

Codman today proved no match for the British carsman, who led from the start and won by two lengths. His time was 8 minutes, 30 seconds.

The winner of the Belyea-Gollan race tomorrow will meet J. Beresford, Jr., of the Thames Rowing Club, Saturday, in the finals for the Diamond Sculls.

Today saw the elmination of the last of the foreign entrants in the Diamond Sculls events, and whatever the outcome of tomorrow's races, the final will be all-British.

Beresford won today from K. E. B. Wilson by two lengths.
