

Weekly Colonist

FRIDAY, DECEMBER 21, 1888.

THE SKILL FISHERY.

It is very unfortunate that the delicious fish which, as far as we know, is peculiar to the waters of the Northern Pacific...

PROTECTION OF THE FISHERIES.

The State of Maryland is bound to protect its oyster beds. The oysters are held and are not to be kept off the forbidden ground by Government processes...

ABOUT STANLEY.

There is some to be said in the columns of this paper respecting the fate of Stanley. The grounds for forming an opinion that can be in any way relied upon seem to be...

A GOLD-SAVING PROCESS.

A method of separating the finest particles of gold has been invented by Messrs. David Hutton and J. R. Yates of South Australia...

THE INFLUENCE OF CHRISTIAN PRINCIPLES.

An article in the Toronto Globe on church-going and kindred topics contains the following passage: "Toronto, for instance, gets credit for being a church-going and church-supporting city as can be found on the continent..."

A SINGULAR PREJUDICE.

The prejudice entertained by the French Canadians against free masons is very different from that which obtains in other parts of the world...

THE INFLUENCE OF CHRISTIAN PRINCIPLES.

An article in the Toronto Globe on church-going and kindred topics contains the following passage: "Toronto, for instance, gets credit for being a church-going and church-supporting city as can be found on the continent..."

A BIG GUN.

The competition between the engineers and the manufacturers of artillery is still going on. As soon as armor has been devised strong enough to resist the best and heaviest guns...

EMBARASSED NATION.

France is in difficulties. We don't mean that Boulanger is giving her trouble or that Bonapartists on the one hand and Legitimists on the other are making the life of the Republic an unhappy one...

DOES IT PAY?

Three-fourths of our people are troubled with Dyspepsia or Liver Complaint in some form or another. It is a disease which is doing more and more mischief...

CHILDREN CRY FOR FITCH'S CASTORIA.

Mr. Isabella Henning, sister to the late Hon. Geo. Brown, died on Tuesday last at Florence, Italy, aged 60.

THE SUPREME COURT.

This was a motion by Mr. Theodore Davis, Q.C., on behalf of the plaintiff for judgment in his favor under the verdict rendered by a special jury on the 14th August, 1888.

THE PUBLIC LIBRARY.

It is to be hoped that whenever an American Secretary of State again vilifies and threatens the Canadian provinces for taking mild measures to compel the American fishermen to respect treaty obligations...

SPORTS AND PASTIMES.

The initial steps have been taken in San Diego, by the Excelsior rowing club, to have the great single scull race between the American and the British...

Children Cry for Fitch's Castoria.
