Great Britain's Avoidance of the Inter national Sealing Net Not Looked For.

London, Sept. 27 .- Great Britain has not notified Russia or Japan of her intention not to take part in the sealing conference, and her notice to the United parties for \$25,000. States was sent too late for the other three governments to change their arrangements. Inquiries at the Russian embassy here

show that the officials were greatly sur-prised at Great Britain's withdrawal and were disposed not to believe the news. They said that the British foreign office in the discussion of the arrangement for the conference had never even intimated that dissatisfaction was experienced at commercial value of Hudson Bay as a Russia's participating in the conference. Apparently, the Russian officials add, Freat Britain realized the impossibility Russia and Japan withdrawing from the conference and leaving a clear field for Great Britain and the United States. The departure of Sir Julian Paunceote, the British ambassador to the United States, and one of Great Britain's representatives at the sealing conference

has been postponed until October 26, which would make him arrive in the United States too late for the sealing de liberations. Since Great Britain has decided to withdraw from further discussion of the sealing question, he has not replied to Secretary Sherman's despatch on the subject, and it is not ex ted that he will make an answer

A People's Party Leader Disputes It and Demands a Change in Conditions.

Berlin, Sept. 27.—The speech of Herr Haussmann, leader of the South German people's party, at Manheim early in the week, has caused excitement in political circles. Haussmann reviewed the actions of the reichstag and the government during the last two years, and was particularly outspoken in condemning William's utterances and views of politics.
Satirizing the Emperor's divine right speech, recently delivered at Coblentz, Herr Haussmann said: "We are not Herr Haussmann said: "We are not afraid of a coup d' etat. The 40,000 stand of Lee-Enfield rifles and 12,000,000 rounds of ammunition therefor have been received from the Imperial government. Originally 16,-000,000 rounds were ordered, but as the Quebec cartridge factory is now turn rounds yearly, it was thought better to

purchase two batteries of field artillery instead. These latter guns have not yet been received, but the six originally ordered have been delivered and issued to the A and B batteries, and the Toronto, Ottawa, Montreal and Hamilton batteries. ies. The new guns will possibly go to Newcastle and Sydney. Each battery

PENNY-WISE GOVERNMENT. Will the Halifax Steamship Service Be

Killed by the New Economy. MONTREAL, Sept. 28.—Sir Wm. Van Horne, who has returned from a visit to St. John, N.B., was asked to-day about the reported decision of the Allan and Dominion lines not to call at Halifax in winter. He replied: "I can only say at this moment it would be a most disgraceful thing if Canada should permit herself to be left without steamship service for the next six months, and I can-not believe the government will look with indifference on anything of the
