THE WEEKLY TRADE REVIEW

Refiners Advance Yellow and Greenish Sugar-Drygoods Dealers Report a Better Feeling and Livelier Trade-Leather, Provision and Hardware Dull and Featureless.

Friday Evening, Feb. 14. Inactively express the state of the Stock Exchange to-day. Ontario was a point weaker with a sale of 30 shares at 120. Buyers of Merchants were willing to advance with sellers still firm at 144. Sellers of Commerce conceded a point, but no sales were effected. Concessions were made by both holders and bidders for Imperial, but a difference of one point still existed between them. Dominion was slightly stronger. Standard was weaker, and although sellers of Hamilton dropped from 135 to 133, buyers were chary of offering an increase over yesterday's bid of 133. A few more shares of British American changed hands, and 1800 was bid for Western Assurance with no sales. Commerce was a couple of shares weaker yesterday's bid of 134 for Dominion. The market was quiet with a few sales of 100 shares of Commerce at 133. The total sales of the morning were 120 of Commerce, buyers expressing willingness to increase their offers for the future. Total sales of the day 225 shares, compared with 227 yesterday.
