

THE ISLAND TOURNAMENT.

GLORIOUS SPORT ON THE BIG LAGOON ON SATURDAY.

Pronounced Success of the Fourth Aquatic Carnival—A Great Success—The Attendance Very Large—The Whirls of Tait and the Swimmers in the Shore and Paddle the Waters.

The Lakeview Hotel! The Island tournament! Toronto's latest and greatest event! The weather has been so kind that the truth must have been uncomely shaky at this early stage of the day.

The committee had done its duty wisely and well, although strict punctuality is not a crime that can be charged to the officers of the L.A.A. are them.

SAINT FRANCISCO, Aug. 16.—A letter received here from Mrs. Robert Louis Stevenson gives a gloomy outlook for European in Samot. Writing from Valuna, the pretty town which the novelist has made near Apia, Stewart, at Kaitiaki, he says:

"We live in the constant turmoil of threatened war and massacre of the whites. We made arrangements to send the child to Honolulu in case war breaks out, but the rest of us will stay and stick it out. The last scare we had was found men-of-war here but one German ship, and that, don't count as it only makes a name. I wish our country would send us a ship."

Mrs. Stevenson says that her home is very pleasant. They live in a cottage, and take their meals in a big house by the sea. "Louis is ridiculously well. You should see him come galloping up from Apia, looking so well and cheery. It would be your heart's desire to see him."

THE DEATH OF A MURDERER STRETCHED HIS NECK A FOOT. ST. LOUIS, Mo., Aug. 16.—Henry Hawson, the wife murderer, paid the penalty for his cowardly crime this morning. He was a most blasphemous prisoner, and danced a jig on the gallows. No religious service would be held for him, and he was absolutely refused to see anyone but the prison officials when going to the scaffold.

ORANGEVILLE, Aug. 16.—Towards the end of last April Joseph Pearson, and Bliza Pendleton of Glenn County embarked on the matrimonial sea. The nuptials were celebrated at Mono Mills under apparently happy auspices and everything seemed as if the young couple and their friends were in Orangeville and interviewed a lawyer, who drew up a deed of separation between Pearson and his wife. The deed was signed on the 15th of August, and was for three months, and had not been a happy one for either party.

A CLEAN SWEEP.

George Alexander of Parkhill Skips With All His Baggage.

PARKHILL, Aug. 17.—About a year and a half ago a young man named George Alexander, a cheese maker, came to Parkhill and opened negotiations for the erection of a cheese factory. He succeeded in associating with his own name that of Mr. Robert Cudde, cheese maker and dealer of Woodstock. They started operations in May, 1888.

George Alexander, who had sold 100 boxes in stock, all this season's make, to a man in Toronto, whom it was learned that the party to whom the cheese was consigned was not the purchaser, but another Stratton firm, gave a check for \$10,000 for freight charges. The check Alexander is reported to have cashed in Toronto on Monday.

HAZARDOUS SITUATION OF ROBERT LOUIS STEVENSON AND HIS FAMILY. SAINT FRANCISCO, Aug. 16.—A letter received here from Mrs. Robert Louis Stevenson gives a gloomy outlook for European in Samot. Writing from Valuna, the pretty town which the novelist has made near Apia, Stewart, at Kaitiaki, he says:

ORANGEVILLE, Aug. 16.—Charlie Veitch is a gentleman of nearly 80 summers, who with his wife has been a resident of Orangeville for upwards of 20 years. On Wednesday morning of last week he took a C.P.R. train for Toronto and has not since been heard from. For several days before his departure there were strained relations between him and his wife owing to a property dispute. It is reported that he had gone either to Australia or England. On Saturday last Mr. A. H. Huggins announced that he had a claim for alimony on behalf of Mrs. Veitch.

ORANGEVILLE, Aug. 16.—Yesterday afternoon a fatal accident occurred on the farm of Mr. Jacob Cunningham, lot 20, concession 2, east, Caledon. A young man named James Kelly, who was engaged in shingling Mr. Cunningham's new barn, is supposed to have slipped on a loose shingle while near the top of the roof. He made a desperate attempt to hang on to some rafters, but slid down to the hard ground below. Kelly injured about six hours when he breathed his last.

LEFT HIS ARM IN THE CYLINDER.

Terrible Threshing Machine Accident in Ross Township.

ORANGEVILLE, Aug. 16.—About 9 o'clock yesterday afternoon an accident occurred on the farm of Mr. James Woodland, lot 4, concession 2, Mono, whereby a young man named David Still lost his right arm a couple of inches below the elbow. Still was engaged feeding a threshing machine when the accident occurred. He ran his right hand into the cylinder, and in a flash his arm was jerked off at the elbow. The limb was mangled terribly, and the great danger was that it would be drawn completely in and instantly killed.

TO THE SEASIDE. Perhaps the most delightful summer resort in the Atlantic coast is Old Orchard, which is not one of the great attractions of Canadian folk during the dog days, and the resort season. The attractions are unequalled, the fresh sea breeze, the elegance of the hotels, and all surroundings delight the tourist and make the visit one of the most enjoyable that can be imagined.

FRESH AIR FUND EXCURSION. Two large excursions have been arranged for to-morrow by the Fresh Air Fund. About 200 children and mothers will be taken to Victoria Park for the day in charge of Mrs. Johnston and others, and at 3 o'clock the women of the fund will be taken to the steamer "Evelyn" for a cruise and a visit to the islands of the Gulf. The boat will pass around the island and will be back here at 10 o'clock.
