INDIANS SACK A TOWN,

Rifle a Custom House and Shoot One of the Guards.

DEMING, N.M., Nov. 10.—Frank Seibold, a merchant of Polomas, Mex., four miles below the border, arrived here yesterday and brought news that 50 Tomichi Indians on Wednesday sacked that town.

They are one of the scattered bands of Indians who survived the horrible massacre in the engagement with Diaz's soldiers last May and have since been roaming in the mountains.

In the raid on Polomas they fired on the custom house guards, numbering 13, killing one of them, and then rifled the custom house, carrying away 25 carbines and pistols, 800 rounds of ammunition and $300 in money. They appropriated provisions and other supplies from the stores.

One of the marauding band was killed in the engagement. After the raid they coolly camped in the town until prepared to leave, and distributed circulars, crying: "Down with Diaz, Viva la Republica!" The Government has ordered out troops.

MANN'S SLICK SCHEME

To Outwit a Constable and Save Half His Fine.

GRAND VALLEY, Nov. 10.—Chief Game Warden Stewart of Hamilton was in town yesterday and so was Jim Mann of East Luther, who is charged with shooting deer out of season. About three weeks ago Constable Finbow laid an information against Mann for the offence, but the constable was unable to serve him with the necessary papers. In the meantime a bright idea entered Mann's head. The informant is entitled to half the fine, so Mann called on a friend, who laid a second information against him for the same offence, and he was hustled before William Osbourne, J.P., who imposed a fine of $20 and costs. Mann paid the shot and went on his way rejoicing. Finbow saw that he had been outwitted, but determined to push the matter, and Mann was summoned to appear before Magistrate Richardson on Wednesday next.

An Ingenious Transfer Ticket.

Here is a cut of an ingenious transfer ticket designed by Mr. J. H. Markle, principal of Cottingham-street School, for which he claims simplicity and accuracy.

The outer edge of the ticket is surrounded on three sides by teeth perforated at base as shown in cut; those on the right-hand side corresponding to the hours of the day, while those on left to the five minutes of the hour. The direction in which transfer is given is marked by letters N.E.W.S., also time, a.m. or p.m., at top. Say a transfer is required in King-street route to some point north at 6.20 p.m.: Tear off 6 on right, 20 on left, p.m. and N. at top. This ticket dispenses with punch or pencil, saves time, is easy to understand, cannot be misused by holder; in fact, is the simplest yet devised.

A Reading Room for the Unemployed.

The Management Committee of the Free Library Board yesterday decided that in view of the large number of idle men in the city who have no place for rest and improvement during the winter months it be an instruction from this board to the Building Committee to floor and otherwise fit the basement of this building as a reading room for such unemployed, provided a sum sufficient for the purpose is granted by the City Council; and that a conference to this end be held between a committee of this board, the chairman of the Executive Committee of the City Council, the Mayor, the Chief of Police and the City Relief Officer.

The Library Committee recommended that 375 new books should be purchased at a cost of $807; that Messrs. Bain & Son's contract for American newspapers and periodicals for the current year be continued for the ensuing year; that suitable shelving be fixed in the circulating department for the bound volumes of newspapers; that the art room be furnished with the necessary fittings at an estimated cost of $600; that the two rooms on the ground floor be properly fitted up and furnished for a board room at an estimated cost of $350, and that the lowest tenders be accepted for the above-mentioned work.

Elm-street Methodist Church.

The public generally will be interested to know that the annual concert of the Elm-street Methodist Church will be given as usual on the evening of Thanksgiving Day, Thursday, the 23rd inst.

The choir, which is one of the best in our city, will be conducted by its popular choirmaster, Mr. H. M. Blight, with Mrs. Blight as accompanist.

They will be assisted by Mrs. Mackelcan, contralto, of Hamilton, who is so well and favorably known here; Mr. Harold Jarvis of Detroit and Mr. George Fox, violinist.

The program, which is an excellent one, will include organ solos by Mrs. Blight, whose ability, both as a musician and an organist, is universally admitted, and whose name on a concert program adds so much to its success.

Rainy River Gold Fields.

DULUTH, Minn., Nov. 10.—A. L. Gray, Government agent, sent out by the General Land Commissioner to investigate the Rainy River gold fields, has returned, and says there is undoubtedly plenty of gold in that country. He will recommend the withdrawal of such lands from entry under the timber and homestead acts and the extension of the mineral laws to include the gold lands.

Unearthed a Mastodon's Tusk.

PETROLEA, Nov. 10.—While Mr. R. Oke was engaged scraping a drain on lot 14, concession 6, Brooke, he brought to light a huge tusk measuring 3 feet 10 inches long, and weighing 25 1-2 pounds, in a remarkable state of preservation. It was embedded in the soil three feet deep. The tusk is a left one, and belonged to a mastodon.

Dyspepsia or indigestion is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion cannot go on; also, being the principal cause of headache. Parmelee's Vegetable Pills, taken before going to bed for a while, never fail to give relief and effects a cure. Mr. F. W. Ashdown, Ont., writes: "Parmelee's Pills are taking the lead against ten other makes which I have in stock."

Pursuant to the judgment and final order for sale of the Common Pleas Division, made in the action of Williams v. Dodd, there will be sold, with the approbation of Neil McLean, an official referee of the county, by Mr. George Andrew, auctioneer, at the Oakville House Hotel, in the town of Oakville, at the hour of 2 o'clock in the afternoon, on Saturday, the 25th day of November, A.D. 1893, the following lands and premises, namely:

The east half of lot number nine in the fourth concession or broken front, south of Dundas-street in the Township of Trafalgar in the County of Halton.

Gananoque Dry Earth Closet.

Every house should have one, clean, neat and healthy; can be used in any room. Winter is coming and you do not want to have to go to the bottom of the garden when the thermometer registers zero or thereabouts. Get one of these and stay right in the house.

See the following testimonial:

George Taunt, Esq., Agent:

DEAR SIR,—I have much pleasure in recommending the Gananoque Dry Earth Closet as most useful and sanitary. These closets may be said to be essential in houses without waterclosets, and very useful even to those that have such conveniences. Yours,
