One incident caused an uproar and led to the suspension of Billy Boucher, of Canadiens, after the game, and to the arrest of a spectator. In the heat of the scoreless deadlock in the first period, Joliat rushed and in the first period, Joliat rushed and shot. When Goal Umpire Ernie Russell would not allow him a goal, Joliat attacked Russell with his stick. Russell grabbed the stick, but, in turn, was pinned by the arms by a spectator. At this point Boucher rushed in and cracked Russell over the face with his stick. Players intervened, but Russell had still the spectator to deal with and he did it in a smart manner. Then the police jumped into action and the tor was arrested.

Risborough added the second and last for the visitors when his drilling shot glanced off Longmore's stick. Curran batted in a rebound for Windsor's fourth goal. Consequently when Huntley and Filmore went off the local line-up with injuries the home team was demoralized to a certain extent and the final period belonged entirely to the Gillies men. Local hockey fans are certain to top off their New Years' Day in a happy manner, as the schedule makers drew the Stratford Indians as the opposition for the Ravens on the holiday evening and perhaps no better attraction could be obtained, as there is a great deal of friendly rivalry between the fans of the Classic and Forest cities.

Roy Brothers and his band have always been popular here and no better proof of this statement can be found than in the fact that when the Indians played here last winter standing room was at a premium at the local Arena and many fans, including a number from Stratford, had to be content with getting the results of the game from the outside.
