YOUR CUP OF TEA

Your cup of Tea means much to you. It is more than an item in the daily fare. It is the one thing that "rounds off"—or spoils—an enjoyable repast.
Tea is fortunately so cheap in this country that there are few who cannot afford Choice Tea. The cost per pound is only slightly higher than ordinary Tea, while the increased pleasure you get from every cup you make is worth many times the difference. It is true also, that a FLAVOR-FULL Tea like KING COLE Orange Pekoe will actually spend further—that is, make more cups to the pound. KING COLE Orange Pekoe is prepared particularly for lovers of Choice Tea.

In Flanders' Fields

(1) In Flanders' Fields the poppies blow
Between the crosses, row on row,
That mark our place, and in the sky
The larks still singing bravely fly,
Scarce heard amidst the guns below,
We are the dead, that well they know,
We lived, felt dawn, saw sunset glow,
And loved, and were loved, and now we lie
In Flanders' Fields.

America's Answer

(2) Rest ye in peace, ye Flanders dead
The fight that ye so bravely led
We've taken up, and we will keep
True faith with you who lie asleep
With each a cross to mark his bed
And poppies blowing overhead,
There once his own lifeblood ran red,
So let your rest be sweet and deep
In Flanders' Fields;
Fear not that ye have died for naught
The torch ye threw to us is caught,
Ten million hands will hold it high.

Official Letter of Sympathy.
Mrs. Jasper Hyson has received the following letter in reference to her son, whom we have already reported killed in action:
DEAR MRS. HYSON: I desire to express to you my very sincere sympathy in the recent decease of your son, No. 47078, Private Herman Avard Hyson, C. E. F., who in sacrificing his life at the front in action with the enemy, has rendered the highest service of a worthy citizen.
The heavy loss which you and the Nation have sustained would indeed be depressing were it not redeemed by the knowledge that the brave comrade for whom we mourn performed his duties fearlessly and well as became a good soldier, and gave his life for the great cause of Human Liberty and the Defence of the Empire.
Again extending to you in your bereavement my condolence and heartfelt sympathy,
I am, yours faithfully,

A Runaway at Yarmouth

[Telegram]
A runaway started near the Gas House on Water street late on Wednesday afternoon and was stopped only when the horse was confronted by the locomotive of the D. A. R. express. The team belonged to Mr. L. M. Trask and was driven by his son, when the horse took fright at a wheelbarrow on the side of the road. The north on Water street it took a fancy to the D. A. R. and traveled at good pace along the track until at good distance from Halifax stopped him. The animal then attempted to go over grounds but was captured before he could get away. The occupants of the wagon escaped injury, but a beautiful music cabinet, which was in the back of the carriage, was very seriously dealt with.
