LONDON, No. 27 St. George Street., Westminster, S. W.

ON ACCOUNT OF THE NUMEROUS applications which have been made to Peter Lawson & Son, to send their Lists of Seeds and Nursery Produce to Canada and the United States, they beg to inform the Trade in America that they are prepared to furnish them with price lists, and to assure them that any orders they may be favored with will receive their best attention.

All orders must be accompanied by Cash or Satisfactory References in Great Britain.

#### University College, Toronto.

THE Lectures in this Institution on THE SCIENCE AND PRACTICE OF AGRICULTURE, will commence on MONDAY, NOVEMBER the 7th, and will be continued (five lectures a week), till the beginning of April, 1860. Agricultural students can attend other courses, such as Chemistry, Geology and Mineralogy, Natural History, including Botany, English Language and Literature, &c., as they may desire.

Particulars may be obtained by applying either personally or by letter to PROFESSOR BUCKLAND, University College, Toronto.

Toronto, September. 1859.

#### PRIZES FOR REPORTS.

With the view of inducing the officers of Agricultural Societies to collect and embody in their annual reports more information of a character which will be valuable and interesting to the public at large, and to persons residing in other countries, than has heretofore been the case, and to draw up the reports in a more generally correct and painstaking style than the majority of those
