It takes 80 men and women to make a postage stamp.

New York City uses 8 millions of stamps a month.

Over 1000 varieties of Post-Cards have been issued within 35 years.

The Chinese Philatelist contains lots of interesting reading. You should subscribe.

United States people spend \$42,000,000 a year for letter postage.

Have you examined your carmine 2 centers for cap varieties? There are 3 varieties. One with small cap on left figure; one with cap on right, and another with the cap on both figures. The second is the best.

Some dealers are offering the \$1.00 Columbian at \$2.00 while others quote it \$5. to \$10. Quite a difference!

If you induce 3 friends to subscribe you will get your own Subscription free.

SAY! Will you get up a club of Subscriptions or Advertisements for "THE PET"? We will let you keep $\frac{1}{4}$ (one-fourth) of all you collect for us. Isn't that fair? You can make money. Try it.
