MR. C. MAITLAND WINTERCORBYN the successful

mate to the citizens of Toronto and the public  
generally, that in consequence of the extent to which  
his business is daily increasing, he has been obliged  
to remove to more convenient and commodious  
premises, where he will have much pleasure in treat-  
ing professionally all who may favour him with a call.

**CARBOLINE**

Having been afflicted with a bald head for twelve  
years, which to me was a source of constant regret,  
as I was continually subject to colds and catarrh in  
the head. Consequently upon my loss of hair, the  
old told tale for years, I tried every specific article to  
recover it. Last summer I commenced that much  
vaunted article called "Carboline." I faithfully used  
it till April last. Instead of recovering my hair it  
grew worse. Mr. Wintercorbyn was brought under  
my notice and parties were pointed out to me whom  
I knew had been bald for years, and to my astonish-  
ment had recovered their hair. Hope again revived,  
and under Mr. Wintercorbyn's treatment my hair is  
rapidly recovering its former vigour; what is equally  
astonishing, I am no longer troubled with colds and  
catarrh. It affords me very great pleasure in thus  
testifying to Mr. Wintercorbyn's ability, and I  
urgently advise my fellow-countrymen instead of  
patronizing useless American compounds such as Car-  
boline and others which have failed to produce a  
single case of success in this city, to place themselves  
at once under Mr. Wintercorbyn's treatment, who  
needs not to refer to testimonials west of Rocky  
Mountains but living testimonials can be seen by  
scores right in our midst.

**The Question of Spoons.**

When the Government introduced the  
protective tariff they did so on the prin-  
ciple that "THEY WOULD EITHER  
MAKE A SPOON OR SPOIL A  
HORN." The great authorities in Par-  
liament and in the press have not yet de-  
cided which result will happen, and  
some consider it doubtful if it shall ever  
be unanimously decided. Of more im-  
portance, however, to the families of our  
people—when gathered at their breakfast  
table quaffing their tea and coffee—of un-  
certain price—to know that the CELE-  
BRATED NICKELITE SILVER  
SPOONS are still within their reach.  
The Government laid their hands fear-  
lessly upon the clothing we wear, the food  
we eat, and the fuel we consume; they  
taxed by the dollar and by the pound, ad  
valorem and specific, but "woodman  
spare that tree," they spared the Nickelite  
Spoons, by just leaving them among the  
revenue tariff lists.

These celebrated Sheffield spoons and  
forks are the result of years of labour,  
experience and capital. They require, to  
produce them, heavy and expensive ma-  
chinery, and they require the world for a  
market. They are adapted to all cli-  
mates, from the extreme North to the  
Sunny South, they stand HARD usage or  
SOFT, and anyone with a rag and a bit  
of chalk can make them shine like silver.  
The prices, too, are cheaper than ever.  
Tea Spoons, 90c., \$1.50, and \$2.00 per  
dozen; Dessert Spoons or Forks, \$3.00,  
\$4.50, and \$6.00 per dozen; Table  
Spoons or Forks, \$4.00, \$5.50, and  
\$7.00 per dozen. Each article is  
stamped "Nickelite, R. W. & Co." Ask  
your storekeeper for them and take none  
other. Every article guaranteed for five  
years.

Don't waste your savings on cheap  
trash, but buy a set of these useful goods,  
and you will never regret it. To be had  
of all dealers in the Dominion. Manu-  
facturers, R. WILKES & CO., Beaver  
Works, Sheffield. Wholesale Agents for  
Canada, R. WILKES, Toronto and  
Montreal.
