

ENAMELED IRON TELEGRAPH SIGNS.

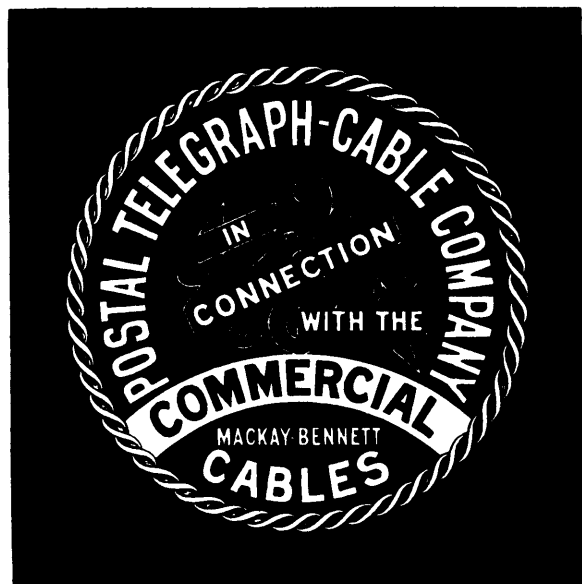

The only signs that are absolutely impervious to the weather.

No. 1.—Double, 19 x 13 ins., including flange, white letters on blue ground.

No. 3.—Double, 21½ x 10 ins., including flange, white letters on blue ground.

No. 2.—Single, 30 x 30 ins., white letters on blue ground.

No. 4.—Double, 22 x 8 ins., including flange, white letters on blue ground.

No. 5.—Single, 24 x 12 ins., white letters on blue ground.

Enameled Iron Signs can be made in any shape, size or colors. Blue and white make the most striking contrast.

Prices and further particulars supplied on application.
