

SUNDAY SCHOOL TEACHERS

are busy people as a rule, but they cannot afford to miss the mental and spiritual stimulus that comes from the study of the

Epworth League Reading Course

The new books which are now ready are:

1. THE NEW CITIZENSHIP

By DR. BATTEN

2. THE MARVELS OF OUR BODILY DWELLING

By MARY WOOD-ALLEN

3. AMONG THE FORCES

By BISHOP WARREN

4. BEACON LIGHTS OF THE REFORMATION

By REV. DR. WITHROW

Because these volumes are offered cheaply do not suppose that they are old and shelf-worn. On the contrary, they are fresh from the press, and are bright and up to date. Send for Descriptive Circular.
