Acts xvi. 31.

CHRIST.

What the Rev. Philip Henry (father of Matthew Henry, the popular commentator,) found in Christ.

HAVING gone through a course of lectures on the real types, in conclusion, he said,

"What have we need of that is not to be had in Christ?"

"In Him we have an ark against a deluge.

A ram to be slain for us.

A ladder to get to heaven by.

A lamb to take away our sins.

Manna to feed us.

Water out of the rock to refresh us.

A brazen serpent to heal us.

Purification to cleanse us.

A scape goat to carry our sins into a land of forgetfulness.

A city of refuge to fly to.

A temple to pray to.

An altar to sanctify all our gifts.

So, Christ is all this and infinitely more, therefore we need look to no other."

Those who attend our cottage meetings have found Christ to be "all this and infinitely more."

Won't you come with us ?

ST. THOMAS ITEMS.

IT has been decided to hold a conference of Christian Railway men in St. Thomas from April 27 to 30th, for the purpose of furthering the cause of Christ and planting the "seed of the kingdom" in every heart wherein sin has got a hold. Let every one besiege the throne of Grace perpetually for a mighty work of Grace to be carried on throughout our land among all Railway employees.

A beautiful suite of Rooms has been secured, fitted up for, and presented to the Railway men of St. Thomas by the Railway Y.M.C.A. Committee in that City, and sufficient funds are in hand to secure an excellent Library.

A. F. Howland, Esq., Chairman of the Association, has secured (in addition to the C. S. Ry. grant of \$600.) \$2,000 for the support of the work at that point. Mr. Ingersoll says, no such progress has been made in such short time anywhere.
