

CONSUMPTION CURED.

An old physician, retired from practice, had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all Throat and Lung Affections; also a positive and radical cure for Nervous Debility and all Nervous Complaints. Having tested its wonderful curative powers in thousands of cases, and desiring to relieve human suffering, I will send free of charge to all who wish it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail, by addressing, with stamp, naming this paper, W. A. NOYES, No. 820 Powers' Block, Rochester, N.Y.

NOW that the societies are getting into working order again, we expect to see the HERALD list swelled with every mail that arrives. There is no society but what contains a large number of members who could be induced to subscribe if the merits of our paper were but shown them. Dear presidents and secretaries, just think what a corps of intelligent workers you would have if each member was a regular reader of the HERALD. Will it not pay you to push the canvas for subscribers?

READ carefully the splendid list of awards to workers on pages 322, 323, 360, and 361. Is there not something there that would repay you handsomely for a few hours' pleasant work?

WE want more subscribers, - we need them, and we must have them. Won't you help us to get them?

THE Daily Readings and Topic Cards for 1899 will be ready about November 1st. Send along your orders in good time so that your society may have everything in shape for the new year. Our price list may be had for the asking.

WE carry a large stock of helpful Leaflets on committee and personal work—plain, practical, pungent, and pithy. Prices from two cents to ten cents each. Send for a list.

WE carry a large assortment of the real C. E. badge in gold, silver, and enamel. Prices from 15 cents to \$2.50. All goods guaranteed.

OUR job printing department is capable of turning out the finest class of work at very reasonable prices. Of course we make a specialty of church and temperance work, but we also excel in Wedding Invitations, Calling Cards, Office Stationery, Programs, Booklets, Circulars, Business Cards, etc. We cheerfully send estimates. We solicit a trial order.

Yours truly,
PETER PUSHEM.
