ASK YOUR DRUGGIST OR GROCER FOR EAGAR'S WINE OF RENNET,

for making Junket or Sweet Curds. This preparation is prepared by a process discovered by Mr. Eagar, and by which the Pepsine as well as the Rennet is retained.

Two teaspoonsful mixed with a pint of warm milk converts the milk into a jelly and makes a delicious dessert, which may be eaten with or without cream or wine sauces.

It makes a light and very nutritious food. It is one of the best remedies for dyspepsia. It enables persons of weak digestive organs to digest their food.

It restores patients to health when convalescent from fever, &c.

It is found to be an excellent thing for persons who earn their living by brain work, as they generally require a very nutritious diet, yet are frequently unable to digest a heavy meal.

It can be made in five minutes, and is the most reliable and cheapest preparation of the kind in the market.

Only 25c. per bottle. Wholesale by LYMANS, CLARE & CO., H. SUGDEN EVANS, and all Druggists and Grocers.
