THE LARGE 103 YONGE ST.

The Winter has past, with its frost and its snow, And where is the man who won't say let him go; And Spring has arrived and dressed Nature anew, And Summer, sweet Summer, is nearly in view.

The gentle showers of the Spring have been shed, And fields live again that were withered and dead; And trees that were leafless are bursting their chain, And waving in lovely verdure again.

The birds of our forests that left us so long, Again fill the air with the power of their song, Rejoicing that hoary Grim Winter is past, And that Springtime and Summer have found us at last.

Now away with the Clouds and the Fogs which you wore, Through many a snow storm they mantled you o'er; To wear them just now, with the weather so warm, Would do you no good, but a great deal of harm.

Away with your Bonnets of Dark Velvet Pile, Let them rest on the shelf or the box for a while; Yet something in Straw, if you take my advice, In Devon, or Luton, or Turcan, or Rice.

McDONALD has Bonnets, remarkably low, At sevenpence-halfpenny, or eightpence or so; And Ribbons to trim them at sixpence a yard,— The terms are certainly not very hard.

A large stock of Muslins, selected with taste.— The colours are fast, and the patterns are long; And Dress Goods in "Fancies," both figured and plain; With the fine French Barages, and the printed DeLaine.

While he seeks to secure the most recent styles In the fabrics produced in the famed British Isles, Yet a judge may perceive at the very first glance That his Gloves have the finish of Grenoble in France.

There are many things more, which one might suppose, They are mentioned below in straightforward prose; The Stock, he may add, is extensive and nice, While the whole has been marked at a moderate price.

His direction will still be the same as the former, On Yonge-street, one door from Richmond-street corner; While the front of his house, hereafter, shall be Better seen by the figures One Hundred and Three!

HEALTH WARRIOR 'TIS SOUGHT

HOLLOWAY'S PILLS.

Cure of a Case of Weakness and Debility, of Four Years' Standing.

Extract of a Letter from Mr. Smith, of No. 5, Little Thomas Street, Gals in Street, Lambeth, dated Dec. 12, 1850.

To Professor Holloway.— Sir,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility with constant nervous headaches, giddiness and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical men, some of who after doing all that was within their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day, being unusually ill and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than a hope of being cured, however, I soon found myself better by taking them, and so I persevered in their use for six months, when I am happy to say they effected a perfect cure.

[Signed] WILLIAM SMITH. These celebrated Pills are wonderfully efficacious in the following complaints. Ague, Female Irregularities, Serofula, or King's Evil, Asthma, Fevers of all kinds, Erysipelas, Bilious Complaints, Fits, Sore Throat, Stone and Gravel, Secondary Symptoms, Bowel Complaints, Headache, Indigestion, Tic-Douloureux, Constipation of the Bowels, Inflammation, Tumours, Uterus, Consumption, Liver Complaints, Venereal Affections, Debility, Lumbago, Worms of all kinds, Dropsy, Piles, Weakness from whatever cause, &c. &c. Dysentery, Rheumatism, Erysipelas, Retention of Urine.

Sold at the Establishment of Professor Holloway, 274, Strand, (near Temple Bar,) London, and by all the most respectable Druggists, and Dealers in Medicines throughout the civilised World, and at the following prices—1s. 10d., 4s. 6d., and 7s. 6d., each Box. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of Patients in every case are affixed to each Box. For Sale by S. F. URQUHART, Yonge Street, Toronto, Wholesale Agent C.W. Toronto, Nov. 12, 1851. 15-17

AYER'S CHERRY PECTORAL.

For the Cure of Cough, Cold, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma, and Consumption.

Among the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following opinions of eminent men, and refer further enquiry to the circular which the Agent below named, will always be pleased to furnish free, when in are full particulars; and indisputable proof of these facts.

From the President of Amherst College, the celebrated Professor Hitchcock.

"James C. Ayer—Sir: I have used your Cherry Pectoral in my own case of deep-seated Bronchitis, and am satisfied from its chemical constitution, that it is an admirable compound for the relief of laryngeal and bronchial difficulties. If my opinion as to its superior character can be of any service, you are at liberty to use it as you think proper. EDWARD HITCHCOCK, L.L.D.

From the widely celebrated Professor Stillman, M.D., L.L.D., Professor of Chemistry, Mineralogy, &c., Yale College, Member of the Lit. Hist. Med. Phil and Scientific Societies of America and Europe. "I deem the Cherry Pectoral an admirable composition from some of the best articles in the Materia Medica, and a very effective remedy for the class of diseases it is intended to cure." New Haven, Ct., Nov. 1, 1849.

Major Pattison, President of the B. C. Senate, states he has used the Cherry Pectoral with wonderful success, to cure an inflammation of the lungs. From one of the first Physicians in Maine. Saco, Me., April 26, 1849.

Dr. J. C. Ayer, Lowell. Dear Sir: I am now constantly using your Cherry Pectoral in my practice, and prefer it to any other medicine for pulmonary complaints. From observation of many severe cases, I am convinced it will cure coughs, croup, and diseases of the lungs, that have put to defiance all other remedies. I invariably recommend its use in cases of consumption, and consider it much the best remedy known for that disease. Respectfully yours, J. S. CRAMER, M.D.

Prepared and sold by James C. Ayer, Practical Chemist, Lowell, Mass. Sold in Toronto by Lyman Brother & Co., in Hamilton by Hamilton & Keeselrow, in Kingston by J. W. Palmer, in Montreal by Lyman & Co., in Quebec by Joseph Bowers, and by the Druggists everywhere throughout the Provinces and United States. Toronto, March 9th, 1852. 31-7m
