

PARAGRAPHIC

MY TOOTHACHE.

Is an exclamation heard every hour in the day. Toothache is the most common ailment of young and old, and in the aggregate inflicts more suffering than perhaps any other single complaint. A one minute cure is just what every person desires to possess. Nerviline—nerve pain cure—acts almost instantly in relieving the agony, and as a sample bottle affords a quantity sufficient for 100 applications, 10 cents fills the bill. Polson's Nerviline is the only positive remedy for toothache and all nerve pains. Sold by all dealers in medicine.

Miss Carmel—"You promised me the set of teeth you made would be just like natural teeth, but they are just horrid. They hurt me and give me lots of trouble." Dentist—"Well, isn't that just the way natural teeth do?"

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, and having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES 820 Powers' Block, Rochester, N. Y.

'No, Bobby,' said his mother, 'one piece of pie is quite enough for you!' 'It's funny,' responded Bobby, with an injured air, 'you say you are anxious that I should learn to eat properly, and yet you won't give me a chance to practice.'

SCCEPTICS SILENCED.

We say to those who are sceptical as to the hair-producing qualities of Minard's Liniment that in every case where the hair has fallen by disease, and by using six bottles of Minard's Liniment on the head will not produce a good growth of hair, or where one bottle will not remove dandruff and stop the hair from falling out, we will furnish the Liniment free.

Josh Billings says one of the hardest men in the world to conquer is a debt or is the man who is willing to pay but never ready.

A lady whose leg was bent at the knee and stiff for six years by the use of three dozen bottles of Minard's Liniment can walk as well as ever. In cases of long standing, perseverance and quantity is required. A single bottle will seldom cure in obstinate cases.

THE TEACHEPS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada, Sept. 16th, 1889.

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson. No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.

CHURCH OF ENGLAND TEACHING.

By the Very Rev. Jas. Carmichael, D.C.L., Dean of Montreal. Paper 10c. Drysdale & Co., Montreal.

The Tract was written to meet the need of the many persons drifting into the Church from other Christian bodies, without a clear realization of the great landmarks of Her distinctive teaching. It condenses into a small and readable space what every one professing to belong to the Church of England should naturally realize and understand.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
