SUCRES

La demande pour les sucres raffinés s'est, sensiblement améliorée.

A New York, les sucres raffinés sont tenus très fermes. Les sucres bruts sont très fermes également après avoir hauss?

et les détenteurs retirent leurs cotations. Sur le marché de Londres, les sucres bruts sont également très fermes.

Sur notre place, les prix des raffinés sont très fermes, mais sans changement, les prix des sucres brufs sont plus élevés et nous modifions nos cotes en consequence.

Demande passable, un peu moins forte que précédemment; prix fermes, sans changement.

GLUCOSE

THES

Nous avons précédemment annoncé la hausse de prix des thés en paquets) a plupart des empaqueteurs cotent mainte nant des prix qui ne permettent plus au détailleur de vendre ces thés à 25c. la lb. puisqu'ils sont obligés de payer eux-mames ce prix ou à pau près.

Dans les thés noirs'en vrac, on trouve difficilement à acheter dans le gros à moins de 20c. la lb. pour une bonne qualité moyenne.

EPICES PURES, GRAINES ET SEL

Il y a une assez bonne demande courante pour les épices.

Le gingembre en racine et la musca-le moulue se vendent à des prix plus bas que la semaine dernière.
