

10. Each State Party that seeks and receives assistance shall take all appropriate measures in order to facilitate the timely and effective implementation of this Convention, including facilitation of the entry and exit of personnel, materiel and equipment, in a manner consistent with national laws and regulations, taking into consideration international best practices.

11. Each State Party may, with the purpose of developing a national action plan, request the United Nations system, regional organizations, other States Parties or other competent intergovernmental or non-governmental institutions to assist its authorities to determine, *inter alia*:

- (a) The nature and extent of cluster munition remnants located in areas under its jurisdiction or control;
- (b) The financial, technological and human resources required for the implementation of the plan;
- (c) The time estimated as necessary to clear and destroy all cluster munition remnants located in areas under its jurisdiction or control;
- (d) Risk reduction education programmes and awareness activities to reduce the incidence of injuries or deaths caused by cluster munition remnants;
- (e) Assistance to cluster munition victims; and
- (f) The coordination relationship between the government of the State Party concerned and the relevant governmental, intergovernmental or non-governmental entities that will work in the implementation of the plan.

12. States Parties giving and receiving assistance under the provisions of this Article shall cooperate with a view to ensuring the full and prompt implementation of agreed assistance programmes.

Article 7

Transparency measures

1. Each State Party shall report to the Secretary-General of the United Nations as soon as practicable, and in any event not later than 180 days after the entry into force of this Convention for that State Party, on:

- (a) The national implementation measures referred to in Article 9 of this Convention;
- (b) The total of all cluster munitions, including explosive submunitions, referred to in paragraph 1 of Article 3 of this Convention, to include a breakdown of their type, quantity and, if possible, lot numbers of each type;
