

3. To call upon all countries to reach agreement to halt the development, production and stockpiling of all chemical and bacteriological (biological) agents for the purposes of war and to achieve their effective elimination from the arsenals of weapons."

As in the past, Poland is ready to co-operate, both in this Committee, in the General Assembly and in other international organizations, with all States to ensure strict observance of the prohibition of use of chemical and bacteriological (biological) weapons and to make a sustained effort to achieve a complete elimination of those weapons from the armouries of States.
