Hon. H. A. Olson (Minister of Agriculture) moved that Bill C-175, respecting grain, as reported (with amendments) from the Standing Committee on Agriculture, be concurred in.

Motion agreed to.

Mr. Speaker: When shall the said bill be read the third time.

Mr. Baldwin: By leave, at eight o'clock. May I call it five o'clock.

Mr. Speaker: Is it agreed that the third reading motion will be put at eight o'clock this evening?

Some hon. Members: Agreed.

PROCEEDINGS ON ADJOURNMENT MOTION

SUBJECT MATTER OF QUESTIONS TO BE DEBATED

Mr. Speaker: Order, please. It is my duty, pursuant to Standing Order 40, to inform the House that the questions to be raised tonight at the time of adjournment will be as follows: the hon. member for Kootenay West (Mr. Harding)—Health—Inclusion of paramedical services under medicare; the hon. member for Vancouver-Kingsway (Mrs. MacInnis)—Health—Inclusion of paramedical services under medicare; the hon. member for Lisgar (Mr. Murta)—Grain—Barley—Price spread between deliveries to country elevators and feed mills.

It being five o'clock, the House will now proceed to the consideration of private members business as listed on today's Order Paper, namely, Notices of Motions and Public Bills.

[Mr. Deputy Speaker.]

PRIVATE MEMBERS' MOTIONS

THE CANADIAN ECONOMY

REQUEST FOR LEGISLATION TO IMPROVE LIVING STANDARDS IN CANADA AND THROUGHOUT THE WORLD

On the order: Private Members' Notices of Motions:

That, in the opinion of this House, the government should give immediate consideration to the introduction of legislation to abolish poverty by redistributing income and planning productive resources so that the wealth created by modern technology may provide a much more equal standard of living for Canadians, regardless of who or where they may be, and may also be used to enable Canada to contribute a fair share of this country's wealth toward greater equality of living standards throughout the world.

Mr. Stanley Knowles (Winnipeg North Centre): Mr. Speaker, I believe there is agreement to let this Notice of Motion in the name of the hon. member for Vancouver-Kingsway (Mrs. MacInnis) stand and retain its position.

Mr. Speaker: Is this agreed?

Some hon. Members: Agreed.
Motion stands.

CUSTOMS ACT

REQUEST FOR AMENDMENT TO FACILITATE AIRPLANE TOURIST TRAFFIC AT AIRPORTS

On the order: Private Members' Notices of Motions:

That, in the opinion of this House, the government should consider the advisability of making regulations, pursuant to paragraph (r) of section 273 of the Customs Act, so as to facilitate airplane tourist traffic at Canadian airports of entry by providing for the deputizing of qualified personnel now employed as management or administrative officers to handle customs clearance to such tourist traffic.

Mr. Jerry Pringle (Fraser Valley East): Mr. Speaker, could this motion in my name stand today and maintain its position on the order paper?

Mr. Knowles (Winnipeg North Centre): Agreed.
Motion stands.

POLLUTION

NEED FOR GOVERNMENT AID IN RESEARCH AND DEVELOPMENT OF SOLID-WASTE DISPOSAL PROGRAMS

Mr. Lincoln M. Alexander (Hamilton West) moved:

That, in the opinion of this House, the government should initiate a national research and development program in respect of methods of proper and economic solid-waste disposal, including studies directed to the conservation of natural resources by reducing the amount of waste and unsalvageable materials and by recovery and utilization of potential resources in solid wastes; and provide technical and financial assistance to provincial and municipal governments and multi-governmental agencies in the planning, development, and conduct of solid-waste disposal programs.
