MR. SCHRODER—REQUEST FOR ASSISTANCE TO OWNERS OF HOMES WITH UFFI

Mr. Jim Schroder (Guelph): Madam Speaker, I have the honour and duty to present a petition on behalf of a number of my constituents. The purpose of this petition, signed by 260 citizens of the riding of Guelph, is to ask that the government give consideration to providing assistance to those in Guelph who have suffered because of urea formaldehyde foam insulation. Consequently, on behalf of these citizens I am pleased to lay upon the Table this petition. The petitioners hope, Madam Speaker, that in your examination of their petition you will find it in order and that an equitable solution will be found to their problem.

PRIVILEGE

Mr. Jack Shields (Athabasca): Madam Speaker, I have a question of privilege I would like to present for your direction. During the time in question period when you introduced members of the Armed Forces to this House, all members stood. There was an action by one member of the House which I feel reflects very directly on all members of this House.

Madam Speaker: Order. I am sorry, but that does not constitute a question of privilege.
