Dear Mr. Wilson:-

I appreciate the honour of  
being invited to address the Young Men's Canadian  
Club of Toronto some time in March or early in  
April.

It is no use, I cannot go for  
I am simply overwhelmed with work this term and  
cannot possibly make any more outside engagements.  
Some time I hope to be able to meet your members  
but it cannot be this Spring.

With all good wishes to the  
Club, I am,

Yours faithfully,
