

# MR. RUSKIN'S WORKS ON ART.

## *The Elements of Drawing.*

Second Edition. Crown 8vo. With Illustrations drawn by the Author.

Price 7s. 6d., cloth.

"The rules are clearly and fully laid down; and the earlier exercises always conducive to the end by simple and unobtrusive means. The whole volume is full of liveliness."—*Spectator*.

"We close this book with a feeling that, though nothing supersedes a master, yet that no student of art should launch forth without this work as a compass."—*Athenaeum*.

"It will be found not only an invaluable acquisition to the student, but agreeable and instructive

reading for any one who wishes to refine his perceptions of natural scenery, and of its worthiest artistic representations."—*Economist*.

"Original as this treatise is, it cannot fail to be at once instructive and suggestive."—*Literary Gazette*.

"The most useful and practical book on the subject which has ever come under our notice."—*Press*.

## *Modern Painters, Vol. IV. On Mountain Beauty.*

Imperial 8vo, with Thirty-five Illustrations engraved on Steel, and 116 Woodcuts, drawn by the Author. Price 2l. 10s. cloth.

"The present volume of Mr. Ruskin's elaborate work treats chiefly of mountain scenery, and discusses at length the principles involved in the pleasure we derive from mountains and their pictorial representation. The singular beauty of his style, the hearty sympathy with all forms of natural loveliness, the profusion of his illustrations form irresistible attractions."—*Daily News*.

"Considered as an illustrated volume, this is the most remarkable which Mr. Ruskin has yet issued. The plates and woodcuts are profuse, and include numerous drawings of mountain form by the author, which prove Mr. Ruskin to be essentially

an artist. He is an unique man, both among artists and writers."—*Spectator*.

"The fourth volume brings fresh stores of wondrous eloquence, close and patient observations, and subtle disquisition. . . . Such a writer is a national possession. He adds to our store of knowledge and enjoyment."—*Leader*.

"Mr. Ruskin is the most eloquent and thought-awakening writer on nature in its relation with art, and the most potent influence by the pen, of young artists, whom this country can boast."—*National Review*.

## *Modern Painters, Vol. III. Of Many Things.*

With Eighteen Illustrations drawn by the Author, and engraved on Steel.

Price 38s. cloth.

"Every one who cares about nature, or poetry, or the story of human development—every one who has a tinge of literature or philosophy, will find something that is for him in this volume."—*Westminster Review*.

"Mr. Ruskin is in possession of a clear and penetrating mind; he is undeniably practical in his fundamental ideas; full of the deepest reverence for all that appears to him beautiful and holy. His style is, as usual, clear, bold, racy.

Mr. Ruskin is one of the first writers of the day."—*Economist*.

"The present volume, viewed as a literary

achievement, is the highest and most striking evidence of the author's abilities that has yet been published."—*Leader*.

"All it is to be hoped, will read the book for themselves. They will find it well worth careful perusal."—*Saturday Review*.

"This work is eminently suggestive, full of new thoughts, of brilliant descriptions of scenery, and eloquent moral application of them."—*New Quarterly Review*.

"Mr. Ruskin has deservedly won for himself a place in the first rank of modern writers upon the theory of the fine arts."—*Eclectic Review*.

## *Modern Painters. Vols. I. and II.*

Imperial 8vo. Vol. I., 5th Edition, 18s. cloth. Vol. II., 4th Edition.

Price 10s. 6d. cloth.

"A generous and impassioned review of the works of living painters. A hearty and earnest work, full of deep thought, and developing great and striking truths in art."—*British Quarterly Review*.

"A very extraordinary and delightful book, full of truth and goodness, of power and beauty."—*North British Review*.

"Mr. Ruskin's work will send the painter more than ever to the study of nature; will train men who have always been delighted spectators of nature, to be also attentive observers. Our critics will learn to admire, and mere admirers will learn how to criticize: thus a public will be educated."—*Blackwood's Magazine*.
