## AMERICANA AND MISCELLANIES

BUT SPECIALLY A CANADIAN COLLECTION.

Mr. GAGNON has special facilities for procuring himself scarce and out of print BOOKS ON CANADA at reasonable prices ; and will upon demand, complete sets of old Canadian Reviews, or any publications.

The usual addenda : "scarce" "rare" "curious" and the like will be dispensed with as these words might have costed me a lot for the printer. I consider the price will generally give a fair idea of it.

The condition of the books is not very often stated for brevity, all capital imperfections are mentioned.

No books after being ordered will be returned as a rule, but would like to hear from complainants and will do our best to satisfy them. The prices mentioned do not include express or postal charges.

P. GAGNON, 119 Desfossès, Quebec, Canada.
