

## Glass Patent Duplex Mill Dogs

These dogs have no springs, no ratchet, no pawls, nothing to get out of order, but have a positive grip so that no log can become loose or turn a while being sawed. Dogs can be fastened on any head block knee and will hold small blocks on single head block if necessary to do so. Upper and lower dogs can be used together or independent of each other.

Dogs made either right or left hand as required.

Right Hand Duplex Dog

Right Hand Single Dog

# Watson's Portable Air Tight Baker

The most convenient stove ever constructed for use in the Woods, on the Drive, in the Camps. Bakes as perfectly as the finest range.

Read What Experienced Woodmen Say of It:

"We used your Portable Woods Baker all last season with a crew of men in the woods, travelling from place to place. We found it convenient to handle and the best steel range cannot beat it in baking. It is a perfect baking oven and a success in every way."

The cooking is not affected by rain or weather and can be used outdoors or in a tent."

Yours truly,

MENOMINEE RIVER BOOM CO.,  
Per Wm. H. Stephenson, Genl Supt.

We make these stoves in three sizes. Our No. 10 will cook for ten men; our No. 20 for twenty men, and No. 30 for from fifty to one hundred persons.

We want those interested in a stove of this kind to write us for full description and prices.
