

(2) It shall be the duty of the teacher to conduct every exercise and recitation from the text books prescribed for Public Schools, in the English language, and all communications between teacher and pupil in regard to matters of discipline and in the management of the school shall be in English, except so far as this is impracticable by reason of the pupil not understanding English. Recitations in French or German may be conducted in the language of the text-book.

(3) It shall be the duty of the Inspector to examine carefully in English every pupil according to the course of studies prescribed for Public Schools; but he shall be at liberty to use his own discretion as to what explanations he will give in any other language that appears to be better known by the pupil. The standard of efficiency recognized in Public Schools where the English language only is taught shall be the standard for French and German schools, reasonable allowance being made for pupils whose mother tongue is French or German. The Inspector shall report at once to the Education Department any school in which the regulations respecting the study and use of English are disregarded by the teacher or trustees.

(4) In counties where there is a scarcity of teachers qualified to teach English, the Board of Examiners for the county, with the approval of the Education Department, may establish a Model School for the special training of French or German teachers. Such schools shall hold two sessions each year, and shall, in addition to the ordinary professional course required for County Model Schools, give a full literary course in English in all the subjects prescribed for Third Class Teachers' Certificates, or for District Certificates, as the Board may direct. The final examination for certificates to teach, shall be conducted in the English language. There shall also be a final examination in the French or German language, in reading, grammar and composition. Boards of Examiners shall possess all the powers with respect to such schools as they now possess with respect to County Model Schools. The Regulations governing the inspection of County Model Schools by the County and Departmental Inspector shall apply to these schools.

(5) Emblems of a denominational character shall not be exhibited in a public school during regular school hours.
