

Klondyke Expedition.

MR. A. E. IRONMONGER SOLA is returning to the Klondyke in the Spring of 1898, in charge of an expedition. Application should be made at once by parties wishing to join, as only a limited number can be taken. This will be found the cheapest and easiest way of getting into the country, as Mr. Sola has had years of experience, and knows exactly how to go and what to do. For a given sum everything is found, fares 1st class, and a guarantee to land parties at Dawson City, and provide them with one year's complete outfit.

APPLY—

THE MINING AND GEOGRAPHICAL INSTITUTE,

BROAD STREET HOUSE,

LONDON, E.C.
