

means of furthering the objects of the Exhibition in their respective localities.

The Committee cherish a confident hope that the Agriculturists, Mechanics, and Manufacturers of the Province, will so interest themselves in the undertaking, as to cause the Exhibition to come off with an *eclat* worthy of themselves and their country. On their efforts its success depends, and these efforts, the Committee believe, will be heartily put forth.

All communications to be post-paid, addressed to the Secretary, Office of the Provincial Exhibition, St. François Xavier Street, Montreal.

JOHN LEEMING,  
*Secretary.*
