

GEOLOGICAL SURVEY OF CANADA, OTTAWA.

TO DR. ROBERT BELL, LL.D., F.R.S., &c.,  
Acting Director.

SIR:—The following pamphlet dealing with the manganese industry and deposits of Canada is reprinted from the Annual Report of the Mines Section for 1902, constituting Part S, Vol. XV, N.S., of the Annual Report of the Geological Survey Department.

Pursuant to a policy suggested some years ago and now carried out with your permission, this report is one of a series of similar bulletins intended to give in condensed and popular form, information regarding the mineral resources and possibilities of the country, together with any data regarding similar occurrences in other countries where such would seem to be of use to prospectors and operators in Canada.

I am, sir,  
Your obedient servant,

ELFRIC DREW INGALL,  
*Mining Engineer in Charge.*

MINES SECTION,  
January 9, 1904.
