MONTREAL, Jan. 20.—The market for Manitoba spring wheat continues good, there being a number of orders in Ahe market for round lots at a further advance in prices of 3d to 4½d per quarter; consequently a fair amount of business was done for May-June shipment. Bids from Glasgow have been advanced sharply. A fairly good trade continues to be done in all lines of coarse grains on spot, and especially so in American corn. Cables on spring wheat flour were firm for round lots for prompt shipment, but ocean freight space is scarce. Local prices are firm, with a fair trade in frour. Demand for millfeed is good. Butter is strong under a good demand and small supplies. Receipts for the week were 1870 packages, against 1820 a year ago. Cheese quiet, but firm.
