Width Will Be 66 Feet-Asphalt Plant Proposition Fails to Carry.

The width of the James-street extension from Queen to Richmond-street will be 66 feet. The city council adopted the recommendation of the board of control to that effect after a rather stubborn discussion yesterday afternoon. The vote was 11 to 7.

The street will now be opened from its present terminus southerly to the north limit of Richmond-street, at a uniform width of 66 feet thruout, the easterly limit of the extension to be a line 5 feet east of the present easterly limit of James-street.
