ESTABLISHED 1864. JOHN CATTO & SON

Fancy Table Linens.

Just received an immense assortment of beautiful fine Linen Japanese handdrawn and hand-embroidered Art Table Covers, etc., comprising Tea Cloths, Govers, Tray Cloths, Bureau Covers, Sideboard Covers, Centrepleces, etc. These were bought 25 per cent, below cost and will be sold with corresponding advantage to the purchaser. Every size and shape is well represented in a number of different designs, and ranging as these articles do from 25 cents to \$6.00 each, there is some item of interest to every housekeeper.

Was called to order.

Mr. Carvell then referred to The Montreal Star and its recent editorials. He charged that "The Montreal Star wants, somebody to lay a charge against the hon, member for East Simcoe (Mr. Bennett), the hon, member for King's (Mr. Fowler.)

"Now, I am not going to lay any charge now. I am not called upon to do so. I have no instructions to do so. But I will tell the hon, member for East Simcoe (Mr. Bennett)

Dress Goods.

The world's finest productions in spring Fabrics are rolling in every day to sustain our reputation for these good. The spring stock will be found the finest aggregation we have ever presented, some of the fashionable fabrics being: Fancy Serges, Check and Stripe Worsteds, Black and White Check and Stripe Volles, Velvet Stripe Silk Volles, Chiffon Volles, Vollettes, Fine Scotch Tweeds, Marquisites and many fine Silk and Wool Mixtures.

Beurassa Resumes,

At this point Mr. Fowler entered the chamber, and Mr. Bourassa resumed the floor.

"For several weeks back." he said, "il. finuations have been exchanged between the newspapers of this country of both political parties and insinuations have been made in this house from one side to the other. But they always seem to be the kind of combat described by a Latin poet where the two armies, altho mingling The world's finest productions in

Black and Black and White Dress Fabrics.

This spring promises to be a record-breaker for Black and Black and White Costumes, and we have antici-pated a tremendous demand by laying in such a stock of Black, Black and dermined by selection to the record and members of the house. That confidence was being un-White and Grey Dress Fabrics as dermined by election trials, charges makes satisfaction to our customers a and counter charges, and the fact that oregone conclusion.

The Spring Millinery is coming along every day, and shortly all arrangements will be complete for our formal "Opening," the date of which will be "Opening," the date of wannounced in a few days.

JOHN CATTO & SON King-street-Opposite

a member of parliament, and of a minister of the crown. "Then," he continued, "let that accusation be made and if it is proved, let Mr. Hyman be exposed to the whole people of Canada, and let the whole people of Canada, and let the whole people of Canada judge of his conduct." He then quoted Mr. Fowler's charge about "women, wine and graft," and said these were very serious words. "As far as the two first heads of accusation are concerned. I repeat that heard the woman crying, "Oh, he has shot himself." "As far as the two first heads of accusation are concerned. I repeat that Mrs. Flora McDonald, the wife of Michael C. McDonald, a former prominent Democratic politician, and a milionaire. When she appeared at the office, Guerin is asserted to have ordered that the government, thru their immoral habits had been untrue to their tduty as trustees of the people, then he is hound.

the house in that regard, we do not propose that this session shall end until these matters have been discussed and until investigations have been made. Alluding to the newspaper publications, Mr. Borden called the attention of the government to the charge made by The Montreal Herald, that an attempt had been made to saw-off the insurance commission investigation of the I. O. F. as against the probing of the London by-election by the Torono police court.

Hon. George E. Foster regretted that Bourassa, "let it be made and let it this discussion had been precipitated be proved." at this time. He had been called upon at this time. He had been called upon "But," asked Mr. Foster "against culprit on the way to the penitentiary. and stand up and defend inyself against insinuation? I will not defend inyself until there is some one manly enough in this house to make a charge

against me."
He complained that many members considered this whole thing as a laughable affair, but it was not pleasant for a member with a family to be

"I am not making very much of a kick ance commission came up for consideration.

That is what the papers are for, they think so anyway; that is sort of their tention.

Fowler vs. Bourgage. part of their tactics. If they think these are the best kind of tactics, that is carrying out their own judgment. I am not kicking very much about that. But, Sir, I am kicking that this government should appoint a royal commission and put this matter of an investication out antirely from partian.

Fowler vs. Bourassa.

Mr. Fowler lollowed. He began with a home thrust at Mr. Bourassa. That home member, he said, must have undergone a change of heart since last session, when he made perhaps the most pointed in sinuations ever heard in the house.

Mr. Bourassa. ernment should appoint a royal commission and put this matter of an investigation out entirely from partisan. Mr. Bourassa interrupted to ask what work, from partisan feeling, and from management, and that yet months before that commission had taken up any case in which I was involved, the current coin went from one end of this country to the other that I was broken on that commission, and there was evidence in plenty to do it. That is what I am kicking about. That is what I am kicking about. That is what I am speaking, at this moment, while I am speaking, at this moment, while I am speaking, and the would kick about it himself, and he would say a good deal more and he would say a good deal more of the cabinet of the cabinet with nothing now had their lands and horses and carriages and magnificent yachts. (Laughter.)

"The content of the cabinet when he entered politics but now had none of these things, while certain others who came into parliament with nothing now had their lands and horses and carriages and magnificent yachts. (Laughter.)

"Of course," continued Mr. Fowier, and he would say a good deal more bludgeon, as some of us have to do at the content of the cabinet which is the hon. This closed the description of the best kind of the hon, the house of the cabinet when he est rike back.

"That may not be the best kind of the hon, the house of the cabinet, when he est and I've got along fairly well with it so far."

"Thus was not the Sunday school method, he knew, but it was his disposition, and if goody-goody newspaper men, like goody-goody newspaper men, like the hon of the commission and if goody-goody newspaper men, like goody-goody newspaper men, like the hon, member of the cabinet, when he entered politics but now had none of these things. while certain others who came into parliament with nothing now had their lands and horses and carriages and magnificent yachts. (Laughter.)

"That is what I am kicking about: the hon member of the cabinet, when he entered politics but now had their had performent

for a member with a family to be suffering day after day from poisonous insinuations without any open charge."

Were After Foster.

"It is common talk from one end of this country to the other," said Mr. Foster, "that I was to be broken before the insurance commission." He asked who gave out that impression of information. Long before the case of the session of the session of the session of information. Long before the case of the session of the sessio ishment that he should dare take

Mr. Foster said he was not going to defend himself until charged, and he wanted the charge to be made on evidence. He credited Sir Wilfrid Lauren, with a kindle of the City of Toronto, in the County of York, deceased.

were not so strong, not so Anglo-Saxon, one might say, yet they struck home. And he did not have the excuse either of provocation as I had the other day. Mr. Fowler agreed that insinuations should not be made in the house, but when a man had insinuations thrown at him it was human nature to thit back. Then he went on to tell how on Tuesday afternoon he was criticising Mr. Lemieux's conciliation bill.

"Disputes bill, you mean," observed Mr. Lemieux, to the amusement of the house should purge itself of unworthy members. The house could

"Criticising it, as I thought, fairly," continued Mr. Fowler, "and Mr. Ross, who followed me, indulged in his uncalled-for insinuations about my private affairs. I saw only one vate affairs. I saw only one way of stopping that sort of thing." "And you did it," remarked Mr. Ben-
