INTERNATIONAL BASEBALL.

President Cal Davis Shows that the Prospect Is Gloomy in His League.

MANY CITIES THROW UP THE SPONGE.

London, Hamilton and Woodstock Ready, But Jackson Alone Responds From Across the Line.

Hamilton, March 21.—International League baseball prospects are not very bright, writes President Cal Davis in The Times this evening. Things have taken on an unfavorable aspect in the last few days.

Grand Rapids, which was considered to be the best of the Michigan cities, has as yet done nothing in the matter of organizing. A month ago the city looked well, and was prepared to send delegates to a meeting, but since that time the expected backing of the Board of Trade has failed, and the city is now only a bare possibility. Saginaw is out, which also includes Bay City, altho the latter was never considered as a probability.

A. D. Kerry has organized a team in Jackson, and is ready to enter the league, and Al. Hill of Chicago has a team under contract, which he is willing to put in Lansing, Port Huron, or any other Michigan city that will give him backing, but both Lansing and Port Huron are baseball burying grounds.

On the Canadian side, London and Hamilton are ready for any good league. Woodstock would fall into line again with good local backing, in all probability; there being a meeting there this week to organize. Manager W. G. Killmaster of the Brantford Club reports that that city has failed to give him the assistance required to start a professional team there, and he will not put a team in the league. It is pretty certain nobody else will.

In view of these developments, there will be no meeting on Saturday. What may be done later on remains to be seen.

Central Illinois League.

Springfield, Ill., March 21.—At a meeting of the Central Baseball League here yesterday the organization was completed by admitting Springfield. The league is now composed of Terre Haute, Ind.; Danville, Decatur, Bloomington, Peoria and Springfield. The schedule for the season was discussed at the meting, but was left entirely to President H. F. Smith of Terre Haute. A team has been signed at Jacksonville, and eagerly awaited an opportunity to enter the Central League, had Springfield not entered. The league will be composed of six clubs, and, since Springfield has gone in, Jacksonville will be left out.

Chicago's Two Baseball Clubs.

Chicago, March 21.—The agreement between the American Baseball League and James J. Hart, president of the Chicago National League team, whereby the American League is allowed to place a team in Chicago without opposition from the National League, will not be formally signed by President Hart for several days, tho there appears now to be no doubt that an American League team will be seen here this summer. President Hart said to-day that the agreement will be sent to each member of the American League for his signature before being presented for his own signature. Until that time the exact terms of the agreement will not be made known.

Toronto R. C. Temporary Quarters.

The Toronto Rowing Club moved into temporary quarters at King-street and Close-avenue, yesterday, and the members seemed to be comfortably settled last night. They are in the old Parkdale Bicycle Club building, which has fine, spacious rooms. The architect is working on plans for the T.R.C.'s new club house, work on which will soon be started near the site of the building recently destroyed at Sunnyside.

Hamilton, March 21.—(Special.)—The 10 live-bird shoot for $100 a side, between J. Stroud, Hamilton, and H. D. Bates, Ridgetown, here to-day, was won by the visitor. The score was 83 to 75.

SIMCOES LOST AT OSHAWA.

The Score Was 10 to 8, But Referee Favored the Home Players.

Oshawa, Ont., March 21.—The Simcoes of Toronto visited Oshawa to-night and played a friendly game in the closed rink. The boys were in very good trim, and put up a good defence, altho in the last half Oshawa got rough, or the game would have been faultless as far as the players went.

The referee, however, appeared to favor the Oshawa club, and called several off-sides while the puck was being rushed down to the Oshawa goal. The last half was played very swiftly, and many rushes were made on both sides. The home team came out ahead by a score of 10 to 8. The Toronto team took their defeat like true soprtsmen, and will be welcomed back to town on any future occasion.

London Beat St. Thomas.

Thomas G. Soole intends calling a meeting of all the baseball players who are members of the press for the purpose of organizing a baseball team for this season.

Kid Parker, the Denver lightweight, who has been defeating all-comers in the West, has been signed to meet Eddie Connolly for six rounds before the Tattersal's A.C., Chicago, next Monday night.

Hal. B. McGiverin will resign from the captaincy of the Ottawa Cricket Club, as he will be unable to devote the necessary time to the position. He will continue to play with the team, and aid it in every way.

Howard B. Clemes, at the request of his friends, has offered himself as a candidate for the Canadian Lacrosse Association. Mr. Clemes has been a member for years on the council and has done a lot towards helping along the game.

The Brooklyn baseball team has gone to training quarters at Augusta, Fla. Twenty-two players in all will take part in the practise there, and, from the number, 15 men will be selected by Hanlon to represent the City of Churches in the pennant race.

The Central Y.M.C.A. basketball team will leave for Hamilton this afternoon at 5.30 on the G.T.R. A special train will return after the game, arriving in Toronto about 11.30. Those who intend to go with the team are requested to meet in the waiting room at the Union Station at 5 o'clock.

Before the Niles Athletic Club, at Youngstown, on Tuesday, Bobby Dobbs, the negro, knocked out Charlie Burns of Cincinnati in the 19th round by a left body blow and a right swing on the point of the jaw. Up to the time of the knockout the fight was a shade in Dobbs' favor.

Fitzsimmons and Sharkey will not fight. The match has been declared off, and McCoy and the Australian agreed to meet next Saturday and sign articles for a 25-round bout to be held before the Westchester A.C. on July 4. It will be for the middleweight championship.

A special meeting of the Eastern League will be held at the Fifth-avenue Hotel, New York, to-day, at 12 o'clock. The question of the schedule will be the principal matter considered, and it is probable that Baltimore and Washington will be taken in. Springfield and Hartford will be the retiring cities.

Charles Meek, a member of the C.A.A.U. sub-committee appointed to investigate the case of professionalism against the Toronto Lacrosse Club, stated last night that nothing had been done in the case as yet, as several members of the committee are away on business trips. The case will be fully gone into the end of next week.

Matty Matthews, who defeated Eddie Connolly Monday night, has two more fights on his hands. His first will be with Owen Ziegler, whom he will meet in a 25-round bout before the Niles A.C. of Ohio, on March 26, while his second encounter will be with Tom Duggan of Australia, whom he meets in a six-round bout at Chicago a week later.

John W. Schorr, owner of F. W. Brode, is dissatisfied with the result of the Crescent City Derby and he says that he would match his colt against the winner for $5000. The only condition he desired was a good track. As Prince of Verona is entered in the Turf Handicap on Saturday it is not probable that the challenge will be accepted at the meeting, but it may be at Memphis.

Peter Jackson, ex-champion heavyweight pugilist, sailed from San Francisco for his old home in Australia last night on the steamer Mariposa. Jackson, thru ill-health, is but a shadow of his former self, and goes back to Australia with the expectation that the change of climate will prolong his life and possibly restore him to robust health. Should good health again come to him he will start a school of boxing in some Australian city, probably Sydney.

According to a New York despatch arrangements have been completed by William A. Brady, whereby Jim Jeffries, the world's champion heavyweight, will fight three men in Chicago in one night. The bouts will be six rounds each, and take place at Tattersall's, April 5. Jeffries agrees to defeat each of his opponents in the specific time or forfeit the decision. The manager of Tattersall's is negotiating with a number of heavyweights, and the best men available will be secured.

Expert judges of pugilism say it will be the most scientific lightweight fight on record when Champion Frank Erne and Joe Gans meet at the Broadway Athletic Club on Friday night. It will be a bona fide championship affair, and the winner will hold the title of champion of the world. The two most scientific and capable men in the lightweight class will be the participants, and if the predictions of the betting men are verified the present holder of the title will be defeated and a new champion born in the person of Gans, the ambitious colored Baltimorean, who has defeated a dozen claimants for the championship until Erne alone stands between him and the title which he covets.

Mr. B. H. Bull Alive and Well.

The many friends of Mr. B. H. Bull of Hawthorne Lodge, Brampton, were greatly grieved to learn yesterday from the morning papers that he had died suddenly at his home yesterday. They will be correspondingly well pleased to discover now that the announcement was a mistake, arising from a misunderstood telephone message. Mr. Bull is alive and well, but death has visited his house. Mr. George Duncan, brother of Mrs. Bull, who was staying at Hawthorne Lodge, passed away quite unexpectedly yesterday, and the unsuccessful effort to communicate this fact over the telephone last night led to the insertion of the announcement which appeared in the morning papers.

Important to Owners of Square Pianos.

We can use to good advantage a number of square pianos, and as our stock in this line is very low, can make much more favorable allowances on account of new uprights than were we crowded with squares. If you have thought of exchanging your square for a new upright or grand, now is the time to do it to the best advantage. The Mason & Risch Piano Co., Limited, 32 King-street West, Toronto.

ARM AND LEG BROKEN

Caretaker Brown of the Walmer-Road Baptist Church Fell Off the Roof.

By falling off the roof of Walmer-road Baptist Church yesterday morning, the caretaker, Benjamin Brown, sustained injuries from which he may not recover. He was engaged at the time in shovelling off the snow from the roof, when he slipped on some ice and fell to the ground a distance of 15 feet. He alighted upon a heap of frozen snow. His left arm and leg were broken, and besides a bad scalp wound over the left eye, received, it is feared, severe internal injuries. After Dr. Gordon had dressed the wounds, Brown was taken to the General Hospital. Brown lives at 256 Clinton-street.

"All Dunlop Tires in 1900"

The wheel fitted with Dunlop Tires gives no trouble to the dealer after its sale.

That is one reason why dealers favor Dunlop-tired wheels. They know that Dunlop Tires are the outward sign of inward worth in the building of a bicycle.
