The football game this afternoon at Tecumseh Park should be a most exciting and hard-fought struggle. Hamilton will not have any such a walkaway as she had last Saturday. The changes made in the London lineup C. A. Stewart, F. Wilson, Elmer Sage, are all for the better, and if London doesn't score soon after the game begins the local rooters will be surprised.

There are 123 entries in the Toronto Marathon rcae, which is to be pulled off today. That, at all events, is better than "23."

Quiet Effort Being Made to Form One-London To Be Asked to Enter.

Guelph, Oct. 26.-The latest development in hockey circles is a quiet effort which is being made to form a professional league in Western Ontario. Guelph has not yet been approached, but it is known that the Royal City is one of the places counted on to com. plete the circuit. Last year a similar effort was made, but owing to the fact that Toronto and Brantford had corraled the best of the pro-players, the other places backed out. This year it is said that a Toronto team, Woodstock and Brantford are sure to fall into line, and London and Guelph will be approached to enter teams also. It is impossible as yet to say how the project will be regarded locally.
