NERVOUS PROSTRATION

May Be Overcome by Lydia E. Pinkham's Vegetable Compound—This Letter Proves It.

West Philadelphia, Pa.—"During the thirty years I have been married, I have been in bad health for most of the time. I have had attacks of nervous prostration until it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound, and it made me feel like a new woman. I can now do all my housework, and advise all suffering women to try Lydia E. Pinkham's Vegetable Compound, and I will guarantee they will derive great benefit from it."—Mrs. Frank Fitzgerald, 25 N. 41st street, West Philadelphia, Pa.

There are thousands of women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, backache, headaches, and other symptoms of a functional derangement. It was a grateful spirit for health restored which led her to write this letter so that other women may benefit from her experience and find health as she has done.

For suggestions in regard to your condition write Lydia E. Pinkham Medicine Company, Lynn, Mass. The result of their 40 years' experience is at your service.
