

SPLENDID RECRUITING AT DEPOTS YESTERDAY

Two Hundred and Thirty Men
Were Accepted for Overseas
Service.

COL. PRICE'S UNIT LED

Companies of Thirty-Fifth and
Thirty-Seventh Drafted to
Front.

Every one of the battalions seeking active service has had a goodly number of recruits attested and accepted at the armories depot yesterday. Three hundred and forty-three Toronto men came forward for enlistment, making it one of the biggest and busiest days at the depot since its establishment last August. Of the 343 volunteers for overseas service with the colors, 280 were accepted, being a figure only 13 below the record of 249 made a few weeks ago. The number of recruits accepted was a gain of 39 as compared with Monday of last week.

Lieut.-Col. W. H. Price's battalion, the "204th," led in the infantry recruiting yesterday, having 28 men attested for active service. The 204th Battalion led the others in making personal appeals to the young men attending the hearings held on Sunday under its auspices had favorably appealed to the men contemplating enlisting.

The 18th Battalion came next, 26 of its recruits being accepted. The Irish Fusiliers had 22 men attested, the 17th, 21, the 13th, 18, the 21st, 16, the 20th, 15, the 16th, 10, the Canadian Engineers, 31, and the Army Ammunition and Supply, 22.

Battalion Strengths.
Battalion strengths had last night reached these totals: G.O.R., 1057; Mississauga, 530; Sportsmen's, 1117; Buffs, 410; 204th Battalion, 190; Toronto Light Infantry, 197; and Battalion, 340.

Capt. W. Ford Howland of the headquarters staff, Exhibition camp, has been promoted to the rank of major and appointed to the staff of Brigadier-General Crickland, the commander of the 13th division, with headquarters at Calgary.

The promotion of Capt. Howland is a popular one, as he is a very efficient officer. He has been on staff duty for some time, and has been very successful in his new duties towards the end of the week.

Drafter to Front.
Word has reached Toronto that C. Company of the 26th Battalion, now in England, has been drafted for the 21st Battalion at the front in Flanders, and that D. Company of the 37th Battalion, also in England, has gone to the front as a reinforcing draft for the 17th Highlanders.

Lieuts. Heslop and Goudy of Toronto are among the officers who have gone with the company draft. Lieut. James Kane, formerly a Toronto newspaper man, has also left the battalion for another appointment and is taking a special course at Shorncliffe.

The chaplain of the 37th, Capt. Sherwin, left for the front early in the morning, while Capt. Cowan of Ottawa, the adjutant, has been appointed to the staff of the 204th Battalion.

Lieut. Martin, the machine gunner, has gone to France to join the Canadian headquarters. Col. S. C. Mewburn, A.A.G., military headquarters, has issued the following instructions to the recruiting depot regarding the enlistment of youths: "We are having a large number of cases brought to our attention and before the medical board of men enlisted under 18 years of age, in some cases without the parents' consent. Nobody under 18 years of age is to be enlisted unless for very special reasons, and this only with the written consent of both parents."

The 8th Mississauga Horse, Lieut.-Col. J. Moss, commander, is now in full swing for the spring term, with a re-enlistment of the 2nd Battalion. On Thursday night the regiment will march to the old Y.M.C.A. building, to three physical drill and wind up the evening with a moving picture entertainment.

A very efficient cadet corps is attached to the 20th M.E. Two troops of the cadets attended drill at the armories last night, under command of Lieut. R. H. Yale, Major W. Moore, who organized the cadets, is the general supervisor. Twenty-five of the cadets are on active service, one of them, Cadet Lt. James A. Yates, having been killed in action.

Horse Drivers Needed.
Ten horse drivers are needed for active service with the Canadian Army Medical Corps. They will be attached to No. 2 Overseas Training Depot at the Exhibition camp. Some bakers are wanted for the field bakery to be assembled at Kingsford. The bakers will to overseas very soon. More mechanical transport drivers are also wanted. All routes for these units are to report to the Army Service Corps quarters in the east end of the armories.

The 20th Battalion is living up to its slogan of "Everybody's War." Everybody's Battalion. To Everybody a Square Deal. One of the several new features which it is introducing is the appointing of non-commissioned officers provisionally only. This gives the squad deal to everybody. Until now it has been a case of the man first on the scene, and either consideration, which will no longer hold weight. Each man will have the opportunity to show his worth and prove that he is the man to get the appointment. No matter how late he enlists, his chance will still hold good.

Civil Authority is First.
Some soldiers arrested by the civic police have claimed that they were not answerable except to military authority. In regard to this matter, Provost Marshal Lieut. Jas. Widgery states that: "The military police, except when martial law has been proclaimed, soldiers committing an offence which calls for civil police intervention are quite wrong in thinking that they can only be dealt with by military police."

General Logie has requested the battalions officers to inform the soldiers that the civic police have the right to arrest them if their demeanor warrants it.

Situations for Returned Men.
In order to attract recruits, the Cy-Rite Corps from Exhibition camp yesterday the downtown streets yesterday. Thirty recruits are wanted at once for this unit. It is said to be "under order."

The motor car presented to the 201st Battalion by Hazenwood, president of the Ontario Motor League, will be officially received by the battalion officers at 3.15 this morning at a Harbor Street College. Mayor Church will make the presentation.

Since the establishment of the Soldiers' Aid Commission, it has placed 200 returned soldiers in situations in Toronto. In Ontario, 800 have been placed. It is stated that quite a number of the soldiers in convalescent hospitals have been able to find work in the city.

Four of the most prominent members of the 12th (Canadian) Division of York, St. John and H. B. Gaulton, joined the 1st Division Cavalry Corps for overseas service yesterday. The degree of bachelor

of arts will be granted to them at the conclusion in May of this year. Lieut. Ronald K. Brydon, 115 Bedford road, the only son of James Brydon, manager of the Bank of Commerce at Bloor and Yonge streets, has been slightly wounded. He went overseas with the 31st Battery as a gunner, but since then has obtained a commission in the Royal Field Artillery.

**"BATTLE CRY OF PEACE"
STILL DRAWS ITS THROGS**
War Film Seen by Ten Thousand People Daily at the Strand.

"The Battle Cry of Peace" entered on its second week at the Strand Theatre yesterday with long lines of people waiting for admission nearly all day long and until late in the evening. Manager Marvin estimated yesterday that by his plan of playing the picture continuously more than 10,000 people are witnessing it daily—a record for Toronto. According to all accounts, the wonderful war picture is making a bigger hit in Toronto than it did anywhere in the United States. Across the line, the audiences being mostly neutral and partly German, public feeling could not possibly take the picture's great message heart with nearly the enthusiasm with which shown in this city. The film have been very cleverly adapted to suit the public taste, and the picture is being presented in a most interesting and profitable manner. Mayor Church's written endorsement, which appears on the screen, emphasizes the importance of the picture to theatregoers can witness this production with the feeling that the have wrought by the invading army must be possible in the United States, but never in Canada with our present active military preparation.

Eight performances are given daily, beginning respectively at 9.50 and 11.30 a.m. and 1.10, 2.50, 4.30, 6.10, 7.50 and 9.30 p.m.
