

II FEBRUARY.

Shoots full perfection thro' the swelling year :
And oft Thy voice in dreadful thunder speaks ;
And oft at dawn, deep noon, or falling eve,
By brooks and groves, in hollow whispering gales.
Thy bounty shines in Autumn unconfin'd,
And spreads a common feast for all that lives.
In Winter awful thou ! with clouds and storms
Around thee thrown, tempest o'er tempest roll'd,
Majestic darkness ! on the whirlwind's wing,
Riding Sublime, Thou bidst the world adore.
