

INDIAN WATER CLAIMS.

(Copy of Notice published in the British Columbia Gazette of May 2nd, 1889.)

KAMLOOPS AND OKANAGAN INDIAN AGENCY.

A list of the water privileges allotted by the Indian Reserve Commission for the use of the Indians living on their reserves in the Nicola Valley, outside of the Railway Belt, now submitted for record:—

CHILLAHEETSA'S TRIBE—SPAHAMIN BAND. (Say Okanagan Tribe.)

N-Keh-li-mil-uh Reserve, on the west side of Nicola Lake at the mouth of the Upper Nicola River, allotted September 28th, 1858: 235 inches of water from the Upper Nicola River, that is the Nicola River above the Nicola Lake.

Spah-o-min (Spahamin or Douglas Lake) Reserve, at Douglas Lake, allotted September 28th, 1858: 800 inches from Spahamin Creek; 200 inches from Murray Creek; 10 inches from two springs near the western boundary of the reserve at the foot of Douglas Lake.

Kulichana Reserve, at the mouth of Hamilton or McDonald's Creek, located September 12th, 1878: 10 inches of water from Hamilton or McDonald Creek.

NAWEESISTIKANS TRIBE—NAAIK BAND. (Say N-hla-kapmah Tribe.)

Naaik, or Sulush, Reserve, in the valley of the Mameet River from its mouth northwards, located September 15th, 1878: 800 inches from the Mameet River; 200 inches from the Lower Nicola River, that is the Nicola River below Nicola Lake.

Logan Reserve, near the headwaters of Hamilton Creek, located September 12th, 1878: 10 inches from a little stream flowing west into Hamilton's Creek through Logan's Reserve.

Zoht Reserve, on the left bank of the Nicola, opposite Nicola Lake Town, located September 15th, 1878: 25 inches from the Lower Nicola River.

Clapperton Creek Reserve, between the forks of Clapperton Creek, allotted September 10th, 1878: 200 inches from Dalley's, otherwise called Clapperton Creek.

N-ziskat Reserve, near the junction of the Nicola and Coldwater Rivers, allotted September 11th, 1878: 20 inches from a little mountain stream known as Joe-as-kas' Creek, flowing towards the Coldwater.

LYTTON GROUP.

Hamilton Creek Reserve, valley of Hamilton Creek, near Kulichana, allotted September 12th, 1878: 75 inches from Hamilton Creek; 20 inches from two little streams flowing from the west into Hamilton Creek, about 5 miles from Nicola Lake.

BOSTON BAR GROUP AND OTHERS.

Kuinshaatin Reserve, on the Coldwater, from 64 to 69 miles from Hope, allotted September 11th, 1878: 50 inches from the Kuinshaatin Stream; 50 inches from Coldwater Stream.

Paul's Basin Reserve, in Paul's Basin, south and west from Kuinshaatin, allotted September 11th, 1878: 50 inches from the stream which flows through Paul's Basin; 50 inches from Coldwater Stream.

N.B.—The following being altogether or partly within the Railway Belt are recorded at the Dominion Government Land Office, New Westminster, B.C.:—

For the reserves in the Nicola Valley between Naaik and Sh-ha-ha-nih, allotted September 5th, 1878: 100 inches from Mameet Stream; 225 inches from the Lower Nicola, above the Speous; 100 inches from a stream 1 mile east from the Speous Reserve, running northerly into Nicola River.
