THE GOVERNORS OF KING'S MEET HERE

The governors of King's College, Windsor, N. S., are in session today in the school room of Trinity church. The conference was opened this morning at 10:30 o'clock with the Archbishop of Nova Scotia presiding. Routine business took up a greater part of the session. This afternoon at one o'clock luncheon was partaken of in Bond's restaurant.

The outstanding feature of the meeting is the proposal for a finance campaign on behalf of the college.

There are many of the governors from various parts of New Brunswick and Nova Scotia in attendance. Those present included the Bishop of Fredericton, Archbishop Forsyth, Chatham; Rev. H. R. Hibbert, Robbsey; Canon Smithers, Fredericton; Rev. E. Fenton, McAdam Junction; Rev. E. Tobin, Campbellton; Rev. H. A. Coyle and Rev. G. F. Scoville, St. John; Rev. W. Hewson and Major Hamilton, both of Moncton, and Canon Cowie, Fredericton. Those from Nova Scotia are the Archbishop of Nova Scotia, Rev. Dr. Boyle, president of Windsor College; Rev. Dr. Harris, Canon Vernon, M. A. B. Smith, M.D.; Walter Allison, L.L.B., and A. B. Wiswell of Halifax; Barry Bent, of Amherst; Rev. A. W. Teed and Professor McCarthy, of Windsor.

POLICE COURT

Three prisoners were gathered in by the police since yesterday. Thomas Fleming was arrested on charges of being drunk, and escaping from the chain gang in last June. He was remanded. Michael Fleming was before the court on charge of begging in Union street in view of the police. Policeman McLeese testified. The man was remanded.

Andy Irvine was about to be brought into court on drunkenness charge, but as he had not sobered up, he was kept down stairs.

BODY NOT RECOVERED

At 2 o'clock this afternoon the body of Donatigo d'Acosta, assistant cook on the steamer Moliers, who lost his life by drowning while attempting to board the steamer at Long Wharf last night, had not been recovered. Owing to a strong current which flows around the wharves, it is doubtful if it will be recovered for some time.

LOCAL NEWS

RAW SUGARS ADVANCE

Raw sugars have advanced recently in New York from four to four and three-eighths cents a pound, an increase of three-eighths of a cent on the in bond prices. Sellers are now asking an additional advance of one-eighth of a cent.

NOW IS SERGEANT.

Mrs. William J. Humphreys, 106 Adelaide street, has received word from her husband, who is now in France fighting for king and country, to the effect that he has been promoted from a private to the rank of sergeant. Sergeant Humphreys enlisted in No. 1 Construction Corps in July.

CALENDAR RECEIVED

"The First Automobile" is the subject of an interesting and interesting report on a neat calendar issued by the Continental Fire Ins. Co., of which Lockhart & Ritchie are agents. It shows the strange looking craft built in Philadelphia in 1804 by Oliver Evans, propelled by steam. It is regarded as the forerunner of the American automobile industry.

DIED IN FREDERICTON

Mrs. Joseph Murray died at her home in Fredericton on Wednesday morning after a long illness. She was in her 85th year and is survived by her husband, George of Fredericton; Clarence of Houlton, Maine, and Charlie of Amesbury, Mass. There are also nine grandchildren and three great grandchildren. The funeral will be on Friday at 2 p.m.

JAMES H. CRIPPS.

The death of James H. Cripps of Randolph, occurred at his residence this morning. He was sixty-two years old and had been in the employ of Randolph & Baker for the last thirty years. Besides his wife, he is survived by two daughters, Miss Hazel B. and Miss Florence at home, and one son, William H., of Moncton. The funeral will take place on Saturday afternoon from his late residence.

THE CHILDREN'S AID GRANT

With regard to the municipal grant to the Children's Aid Society, there is some confusion in the reports. This society got \$1,500 in 1915. Last year it got \$3,000. This year it was at first felt that \$5,000 should be asked for, in view of the fact that \$3,000 could not possibly cover a year's expense, and in view of the fact that the work is constantly growing. Upon further consideration, however, the president and secretary went before the finance committee yesterday and stated that in view of the large amounts called for in every direction, and the fact that the people at large had been so generous last year, they would only ask for \$3,000, the same as last year, and trust to public generosity for the balance.

That is One Story—Wanted on Charge of Kidnapping and Assaulting Youth—Was Word That He Intended to Give Himself Up

New York, Jan. 11.—Police authorities in every part of the country, east of the Rocky Mountains, were enlisted today in a hunt for Harry K. Thaw, who is wanted here to answer a charge of kidnapping and assaulting young Frederick Dump, Jr., of Kansas City. Three days have elapsed since detectives were sent to Philadelphia to arrest Thaw and there have been rumors that he has taken refuge in places as far apart as Georgia and Canada.

No definite information as to Thaw's whereabouts had reached the authorities here up to this morning. In the hope that the slayer of Stanford White would be found in Pittsburgh the district attorney's office last night sent a copy of the indictments to that city. The Pittsburgh police, however, reported that they could not locate him there at his home and expressed the opinion that he was not in Pittsburgh.

Indirect assurances to the district attorney that he intended to give himself up here and assert his innocence were not fulfilled, although an officer who knew Thaw returned at the criminal courts building all night ready to take the indicted man into custody should he surrender.

MILITARY

MEDAL FOR A NORTH END BOY

Lance Corporal Wm. R. Longmire of the Signalling Section of 26th Wins Great Honor

That Lance Corporal William R. Longmire, son of Mrs. Phoebe Longmire, 35 High street, a member of the signalling section of the 26th Battalion, has been awarded the military medal in the information contained in a letter received by Mrs. Longmire from her son, Corporal Longmire, on last Monday. He also said in his letter that he had been granted twelve days leave of absence and during that time had the much coveted medal pinned on his breast.

Corporal Longmire left St. John with the 26th Battalion on a private in the signalling section and about four months ago was given one stripe. He is one of the few original members of the section to come through so far unscathed.

Since Mrs. Longmire received this information from her son, she has been watching for the official list of Canadians who distinguished themselves at Courcellette and in the list which appeared today appeared the name of William Longmire. This is believed to be her son.

He is only twenty-one years old and prior to going overseas was in the employ of Philip Grattan, of North End. What won him the high honor has not yet been made known.

HOUSEWIVES LEAGUE IN CITY

The women of St. John are to be given an opportunity of getting together for the purpose of studying methods to lower the high cost of living and to engage in such other co-operative activities as may seem desirable for their mutual welfare and in their mutual interests. The formation of a housewives League has been discussed from time to time and now some of the leaders among the women of the city have decided that the time is ripe for action and a meeting has been called for the near future.

MONCTON INSTEAD OF SACKVILLE AS HEADQUARTERS

Some time ago it was announced that a divisional column had been authorized for the dominion and that one section was authorized for the maritime provinces, with headquarters at Sackville. It was learned today that the headquarters for the maritime section has been changed from Sackville to Moncton. As yet the recruiting authorities have not put forth an effort to secure recruits in this section of the country yet they are after them in the northern part of New Brunswick and in Nova Scotia, St. John. This is a very attractive branch of the service and undoubtedly the unit will fill up quickly.

RAN AWAY FROM THEIR FATHER

There is a pathetic little story in relation to the two little boys whose father took them away from the custody of the Children's Aid Society and placed them in a boarding house. They ran away at the first chance, and sought to find the home of Rev. W. R. Robinson, secretary of the society. Falling in that they went to the ferry, and a kind hearted fisherman, seeing them in trouble, gave the larger boy a ferry ticket and they found shelter when they reached the other side. To Rev. Mr. Robinson, when he went to them, the older one said:—

"We were looking for you all the time to come for us."

The father has not yet been found by the police. Two very sad cases were reported to the Society today and several elsewhere. One of today's cases related to a woman and eight children who are quite destitute, the other to a deserted mother whose infant must be cared for in order that she may go to work, paying its board and her own.
