**Good Words For 26th**

At a meeting of the Women's Canadian Club in the High School last night, a letter was read from Lieut. Col. McAvity expressing thanks for the donation of \$100 for purchasing badges for the battalion. Mrs. Kohring, president of the club, paid a tribute to the men of the battalion, saying that for the most part they had conducted themselves well, even under delays and inactivity, more trying perhaps than they were at the front. Mrs. L. P. Tilly gave some lantern pictures of Indian life. Readings by Miss Amelia Green formed a most interesting feature of the meeting.

**How to Remedy Eye-Strain**

You can't remedy eye-strain by going into a store and buying a pair of glasses as you would a pair of shoes.

It is first necessary to have a thorough examination to determine the nature of your eye trouble.

**GROWTH OF HALIFAX**

(Halifax Echo)

Without doubt one of the most wonderful things about Halifax has been the marvelous growth of the western slope during the last few years. Miles and miles of new streets have been opened, miles and miles of concrete sidewalks and curbs have been laid down, and miles of sewers have been constructed. Hundreds of fine residences have been constructed in that part of the city, and today probably no city in Canada anywhere near its size can show as many houses being constructed and in contemplation. It will come as a surprise to you to learn that since the first of the present year, construction has commenced on twenty-six dwelling houses. Again, with times so hard and money so tight, since January 1, permits have been issued for more than \$125,000 worth of construction work, all of it for new houses and alterations to houses.
